dedication

As we look back at our freshman year, it is difficult to understand how St. Michael's got along through the years without the man who is now one of its most vibrant, lovable and essential members.

Of course, we are referring to the Rev. Nelson Blaise Ziter, S.S.E., Spiritual Director to 1,000 Michaelmen for the last three years.

Father Ziter returned to his Alma Mater after almost 15 years of spreading the Word of Christ to the Southern Missions of the Society of St. Edmund.

This short, smiling, dedicated priest easily made the transition to campus life, quickly winning the admiration and confidence of the students. It wasn't long after his arrival on the Hilltop that "Zippy" knew each one by name.

With an amazing zest for organization, he speedily and effectively set up a program to enrich the spiritual life of St. Michael's. He has improved

and expanded the program in the last two years.

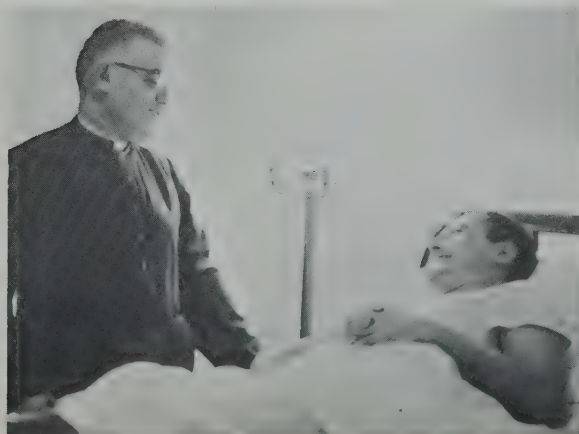

Father Ziter is difficult — and then again easy — to describe; difficult, because he means something special to all who know him, and that includes everyone on campus; easy, because one can readily see how this energetic, warm and ever-friendly person continually goes out of his way to help one of his "boys."

He has made Michaelmen aware of how much more they can get out of their faith — and more important — how much more they can contribute to it.

Father Ziter is always ready to give a helping hand. His counsel is constantly sought. He's also one of the basketball team's biggest rooters, not having missed a single home game since he's been here.

It is with a sense of deep gratitude that we, the members of the Senior Class, dedicate the 1964 Shield to one of the pillars of St. Michael's College.

Rev. Nelson B. Zitter, S.S.E.
Spiritual Director

Lyndon B. Johnson

ST. MICHAEL'S COLLEGE

Oct. 25, 1963

One of the highlights of our senior year came on Friday, October 25, 1963, when Vice President and Mrs. Lyndon Baines Johnson briefly visited the campus.

The visit looms even more important in our minds since exactly five weeks after we heard the Vice President urge us to make the most of "this exciting age," the awesome burdens of the Presidency fell upon his shoulders after John Fitzgerald Kennedy was assassinated in Dallas, Texas.

More than 1,000 persons turned out to greet Mr. Johnson and his party on campus that bright, warm, Autumn day. Arrangements for the successful visit were handled by the Student Forum.

"Let us be thankful for our great heritage," Mr. Johnson said in his homey, warm manner of speech. He alluded to President Kennedy, saying that he was "a great leader," and praised his courage in seeking the limited nuclear test ban treaty with the Russians.

Mr. Johnson was presented with an honorary membership in the Arnold Air Society and an engraved SMC stein. A recording by the college Glee Club was given to Lady Bird.

As soon as he finished his brief remarks, Mr. Johnson was almost mobbed by Michaelmen wishing to shake the hand of the man who soon became the 36th President of the United States.

John F. Kennedy

(1917 - 1963)

The most unforgettable event of our four years at St. Michael's, and probably of our whole lives, was the unspeakable murder of President John Fitzgerald Kennedy on Friday, November 22, 1963.

We will never forget the impact of the awful, unbelievable news on that Black Friday.

The ensuing weekend "may well have been a pivotal experience for many students in their process of growth into adulthood," wrote Paul Simmons, editor of *The Michaelman*.

President Kennedy was elected in our freshman year and we followed his all too brief Presidency with great interest. He was the first of our faith to be elected to that office and the youngest man to live at 1600 Pennsylvania Avenue.

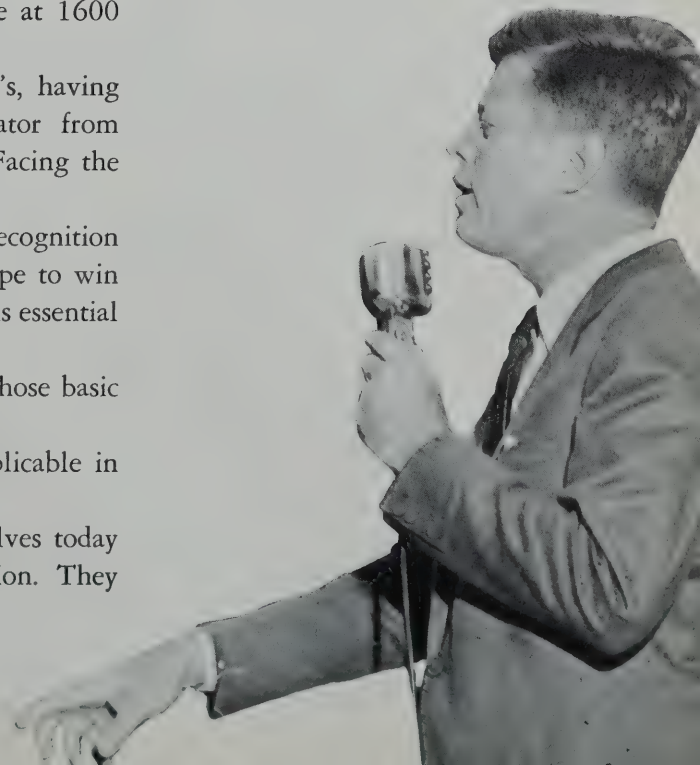

The late Chief Executive was no stranger to St. Michael's, having visited the campus in 1954. He was then the junior Senator from Massachusetts. Some of his words from an address entitled "Facing the Stern Encounter," were:

"Unless the United States bases its foreign policy upon a recognition of moral principles and the ideological struggle, we cannot hope to win the hearts and minds of those people of the world whose support is essential to our success.

"In the long run, our cause will be strong if we adhere to those basic principles which have guided this nation since its inception."

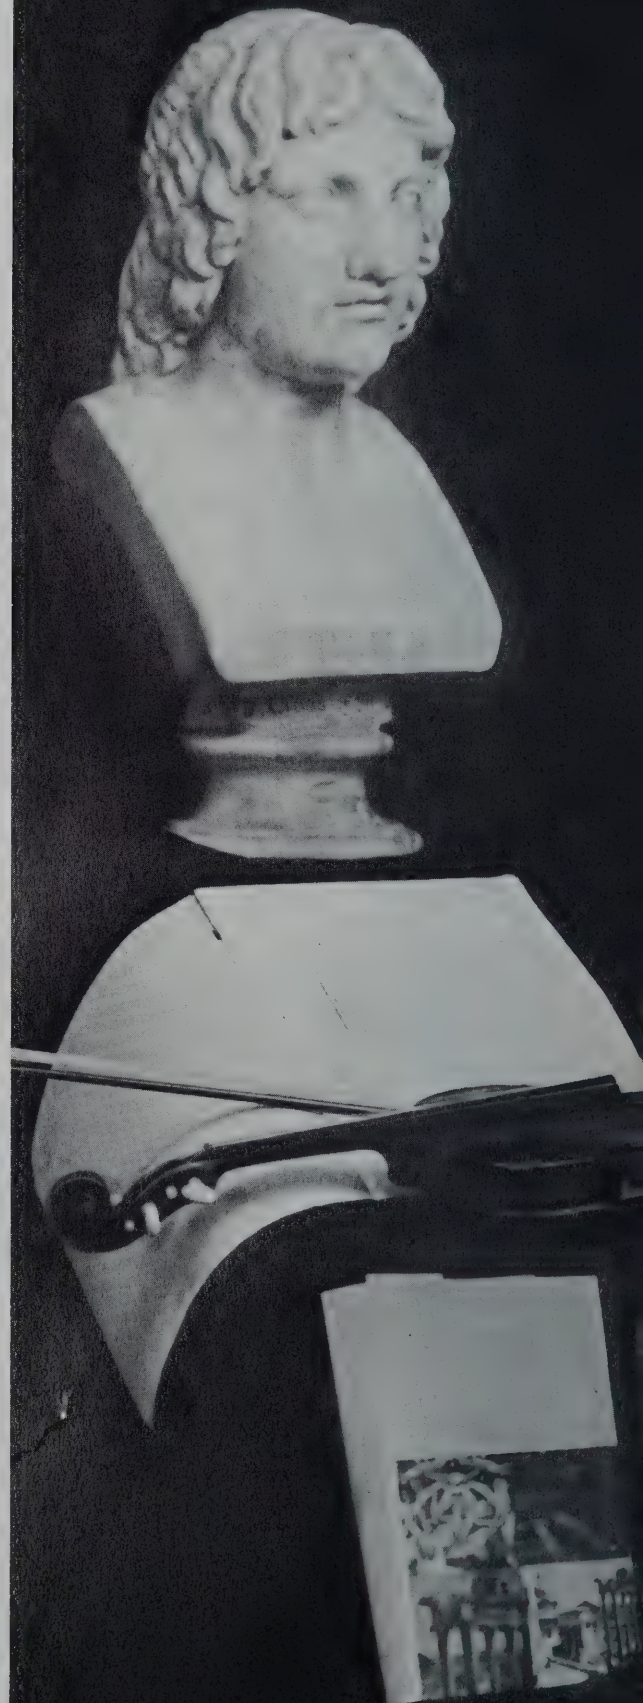

His opening remarks that day seem to be particularly applicable in view of his tragic death:

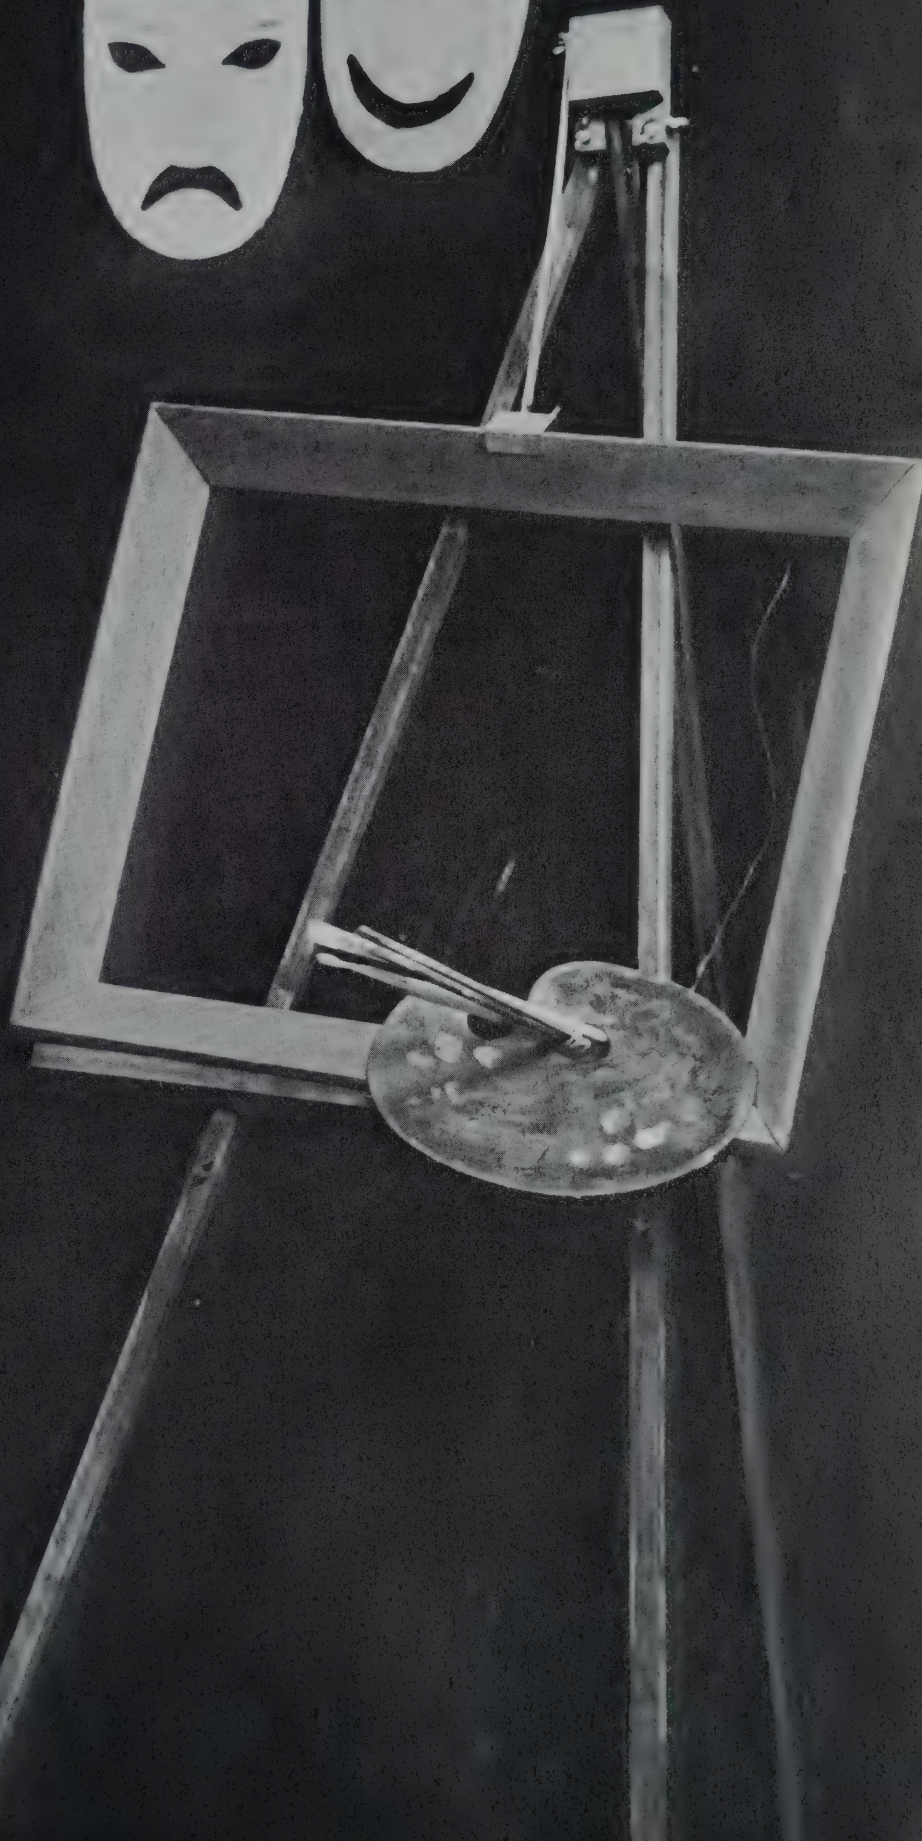

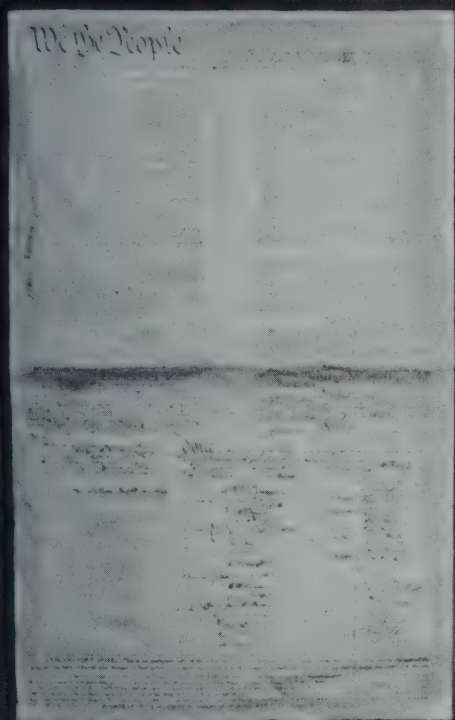

"The fundamental principles to which we rededicate ourselves today have meaning beyond the church and beyond this state and nation. They are the fundamental concepts of morality and truth . . ."

Very Rev. Gerald E. Dupont, S.S.E.
President of Saint Michael's College

SAINT MICHAEL'S COLLEGE

WINOOSKI PARK

WINOOSKI, VERMONT

OFFICE OF THE PRESIDENT

Dear Michaelmen:

My greetings and good wishes are extended to the class of 1964. As usually happens, about one third of those who started with you four years ago have fallen by the wayside for various reasons. You have managed to survive and perhaps you have learned a number of valuable lessons in your years of maturing.

One of these, I hope, is a greater respect for authority. In every society there must be authority to survive. When such authority is vested in men alone and in their will the society takes on the appearance of tyranny. When authority is vested first in law there is opportunity for a free and democratic government. The only condition is that the great majority of the people are willing to abide by the law and to restrict their activities to the bounds set by the law.

Since the end of the war we have witnessed an increasing disregard of the law not only of men but of God. One of the purposes of a Catholic institution such as St. Michael's College is to clarify the notions of law in the minds of its students and to turn them out, at the end of four years, with the ability to pass mature judgments on their own activity as well as the activity of others in family life, in business, in social and recreational acts, in government.

To bring this about the College must offer the students many opportunities to make such judgments as undergraduates. To the extent that you have learned to conduct yourselves well by your own decisions and not by any kind of authoritative coercion you have gained in maturity and you are ready to take your place in the society you will soon enter.

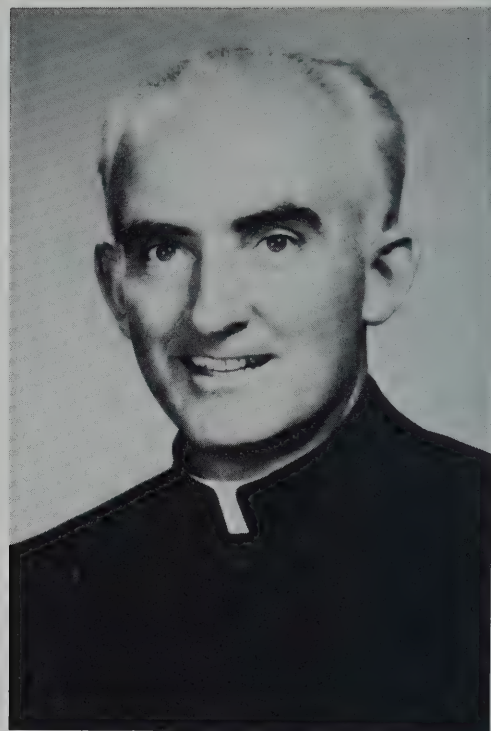

Remember that no man is an island, but that he must influence those with whom he dwells or has relations. My wish is that such influence will always be good and will reflect credit upon yourselves, your families, and your College.

Sincerely yours,

Gerald E. Dupont

IN MEMORIAM

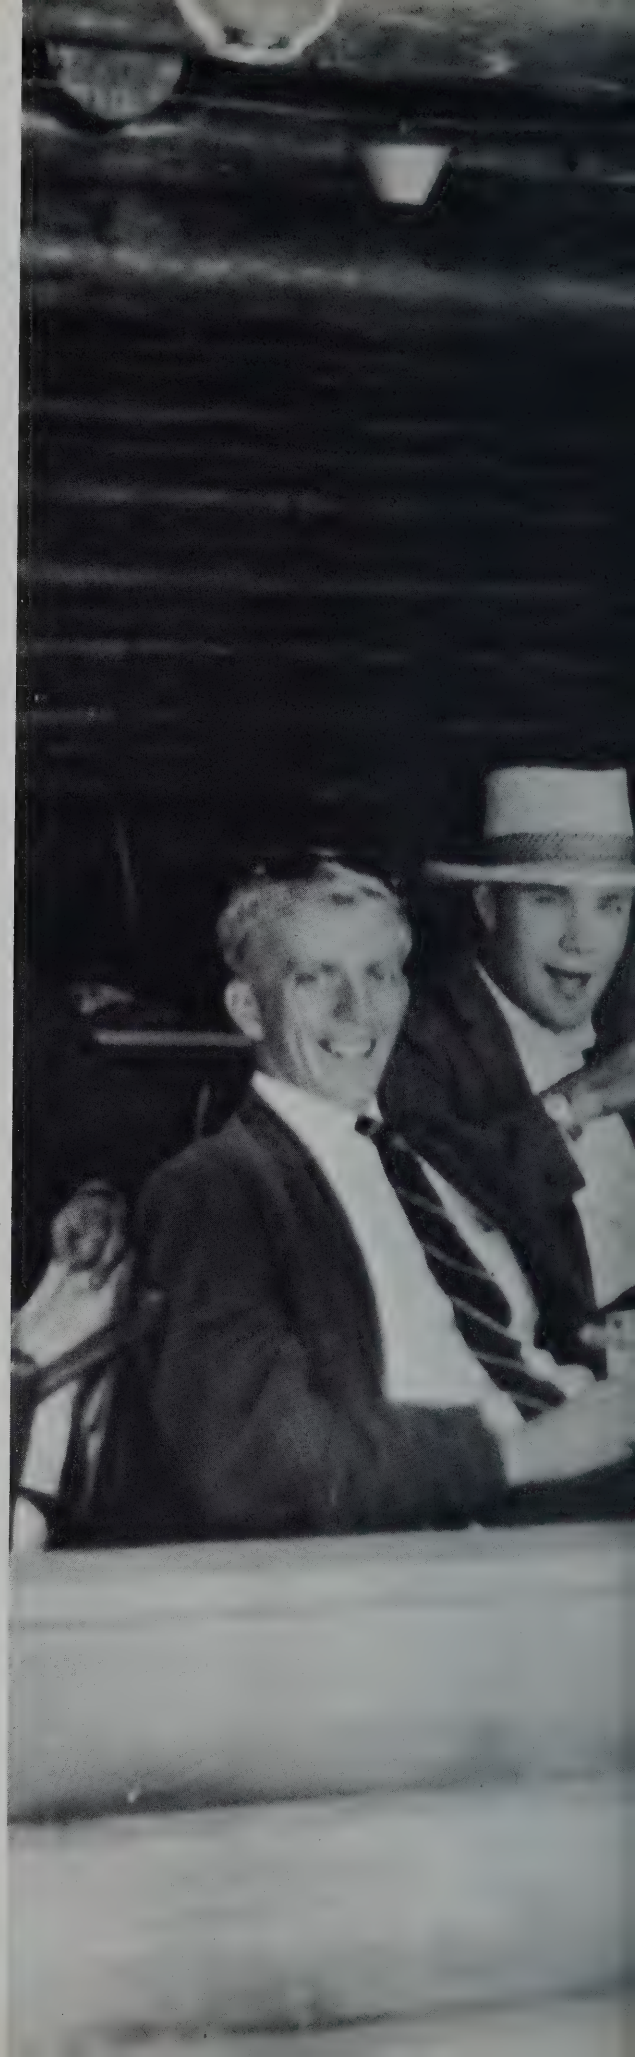

Daniel J. Durick

*"He is that fallen lance that lies as hurled,
That lies unlifted now, come dew, come rust,
But still lies pointed as it plowed the dust.
If we who might sight along it round the world,
See nothing worthy to have been its mark,
It is because like men we look too near,
Forgetting that as fitted to the sphere,
Our missiles always make too short an arc.
They fall, they rip the grass, they intersect
The curve of earth, and striking, break their own;
They make us cringe for metal-point on stone.
But this we know, the obstacle that checked
And tripped the body, shot the spirit on
Further than target ever showed or shone."*

Student Forum

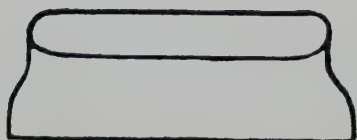

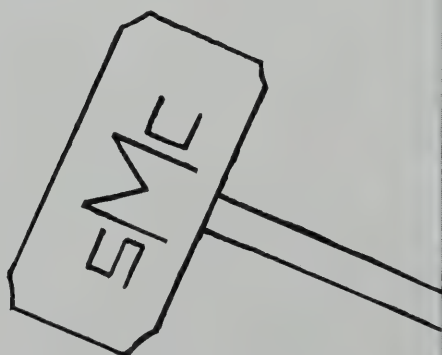

The Student Forum is the voice of the student body at St. Michael's. Its primary function is to act as a liaison between the administration and the student body, serving as an orderly channel of communication. It most certainly has achieved this under the competent leadership of President Michael P. Smith.

There was evident this past year a notable improvement in the social curriculum here on the "Hilltop". While coordinating the activities of all clubs, societies, and organizations on campus, the Forum also supervised the lecture series, organized Vice-President Johnson's welcome to the campus, and successfully initiated a music workshop.

Perhaps the most constructive action taken this year by the Forum was its formulation of the Inter-Collegiate Council, consisting of representatives of St. Michael's, the University of Vermont, Trinity College, and Champlain College. Because of the often conflicting dates of social and cultural events at the various schools in the area, the Forum suggested the establishment of the council to coordinate all college activities.

Delta Epsilon Sigma

Founded April 13, 1939 Washington, D.C.

Δεῖ 'Επιτάττειν Σοφόν

Confers the honor of membership upon

First row, left: J. Gauthier, J. Sheehan, J. Guilfoyle, J. McMahon, R. Butler. Second row: R. Houde, J. Testa, J. Casey, J. Guerrea, L. Hoghe. Third row: A. Kelly, W. Alter, J. Witek, P. Simmons, R. Stoeckel. Fourth row, right: J. Johnson, T. McHale, J. Campanella, M. Smith.

Established in 1939, Delta Epsilon Sigma, National Scholastic Honor Society, came to St. Michael's through the efforts of Dr. Quinlan, the late Dr. Durick and the Rev. E. J. Hamel, the original charter members of this organization. Each year sees a number of Michaelmen being accepted into the society. In order to win admission, the student must distinguish himself in his academic endeavors as well as exemplify good moral character. To qualify, the student must have at least an 85 cumulative average or be a "cum laude" graduate of an accredited college or university.

The Alpha Nu Chapter of Delta Epsilon Sigma at St. Michael's has set the noble purpose of encouraging scholarly habits and graduate studies in its members. The members are provided with an opportunity to discuss topics of a highly intellectual nature with their professors in an atmosphere of informality.

In an age when scholastic endeavors and successes are often too lightly disregarded, Delta Epsilon Sigma provides a stimulus to individuals who have demonstrated an ability and a desire to keep the lamp of knowledge burning brightly in their lives.

Who's Who Among Students
In American Universities and Colleges
from
St. Michael's College

This honor comes in recognition of the merit and accomplishment of the student who was officially recommended by the above named institution and met the requirements of this publication.

L-R, First row: J. Reilly, K. St. John, M. Smith, T. McHale. Second row: C. Rogers, T. Thayer, W. Batewell, D. Cipriano. Third row: J. McMahon, J. Guilfoyle, W. Jack, J. Guerrero, R. Butler, P. Simmons. Absent: D. Marcoux, M. Martin, D. Rack, M. Moughan, W. Eagan.

The publication *Who's Who Among Students In American Universities and Colleges* originated in 1934 with the idea of creating one national basis of recognition for college students. Nominating committees are asked to consider the student's scholarship, his leadership and cooperation in educational and extracurricular activities, his general citizenship, and his promise of future usefulness.

Who's Who is designed to render greater, though less conspicuous service:

As a goal to inspire greater effort in those who may not otherwise perform to the best of their ability.

As a reminder that time must be used intelligently to bring the best results from one's college experience.

As a means of compensation for outstanding effort and achievement.

As a standard of measurement for students comparable to other recognized scholastic and service organizations.

Seated, L-R: J. Cahill, J. Guilfoyle, W. Serafin, D. Erba. Standing, L-R: D. Cahalane, S. Latteri, J. Theberge, G. Regan, G. Loftus, R. Wagner.

P.E.S.

Founded over 40 years ago at a midwestern university the Phi Eta Sigma Fraternity was founded to advance a higher standard of learning and scholarship among college freshmen. It is unlike many similar societies in that it pays recognition to those who have distinguished themselves in their academics. Many other societies are purely honorary and recognize fraternities that do not place emphasis on scholastic achievement.

In order to win admission, the student must have a general average of 90% during his freshman year. This feat must be accompanied with the added accomplishment of having had no grade below a "B".

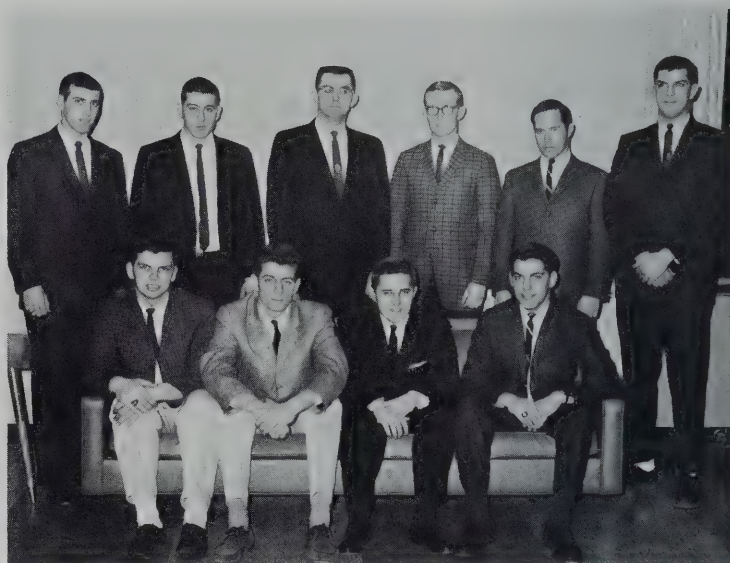

Phi Eta Sigma brings these talented students together so that they can benefit one another as well as find companionship among those with kindred interests and abilities.

A.E.D.

Alpha Epsilon Delta is the International Pre-Medical Honor Society, whose membership is limited to pre-medical students who have achieved high academic standing and have received the recommendation of their faculty. The Society at St. Michael's was established in 1960 as Vermont Alpha Chapter.

St. Michael's is only one of two New England Catholic Colleges that enjoy the distinction of having a chapter of this International Society. Its function is to supply information and sponsor activities which are of help and interest to pre-medical students.

Because aspirants must demonstrate excellence in their undergraduate studies, membership is granted on a lifetime basis.

Seated, L-R: R. Moyer, J. Mauceri, J. Witek, D. Erba. Standing, L-R: A. Hantman, J. Campanella, J. Gauthier, J. Sheehan, E. Quinn, J. Guerrero.

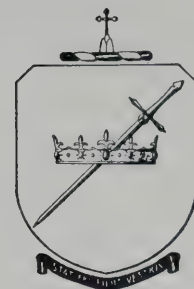

Seated, L-R: R. Makula, J. Casey, J. Benoit. Standing, L-R: D. Shattic, P. Murphy, R. Etherson.

K.P.K.

Kappa Phi Kappa is a national education fraternity which challenges the interest of students with high professional promise who are preparing to teach. While engendering a genuine interest in education, the Gamma Alpha Chapter of Kappa Phi Kappa continued to be of service to the convalescent children in the area this year. Its members tutored children in hospitals and orphanages in greater Burlington throughout this past year and planned to initiate other such programs for the year 1964-1965.

CROWN & SWORD SOCIETY

L-R, front to rear: D. Marcoux, L. Rosato, G. Tocci, J. Cao-Garcia, A. Choquette, K. St. John, P. Lubek, D. Cipriano, W. Lytle, C. Lavezzoli, P. Cronan, D. Erba, J. Donoghue, J. Ruggerio, W. McGrail, D. Foley, R. Tobin, T. Thayer, R. Hayden, P. Johnson, W. Murphy, B. Smith, J. Reilly, R. Moughan, M. Smith, B. Quinn, P. Piffarerio, R. Lysik.

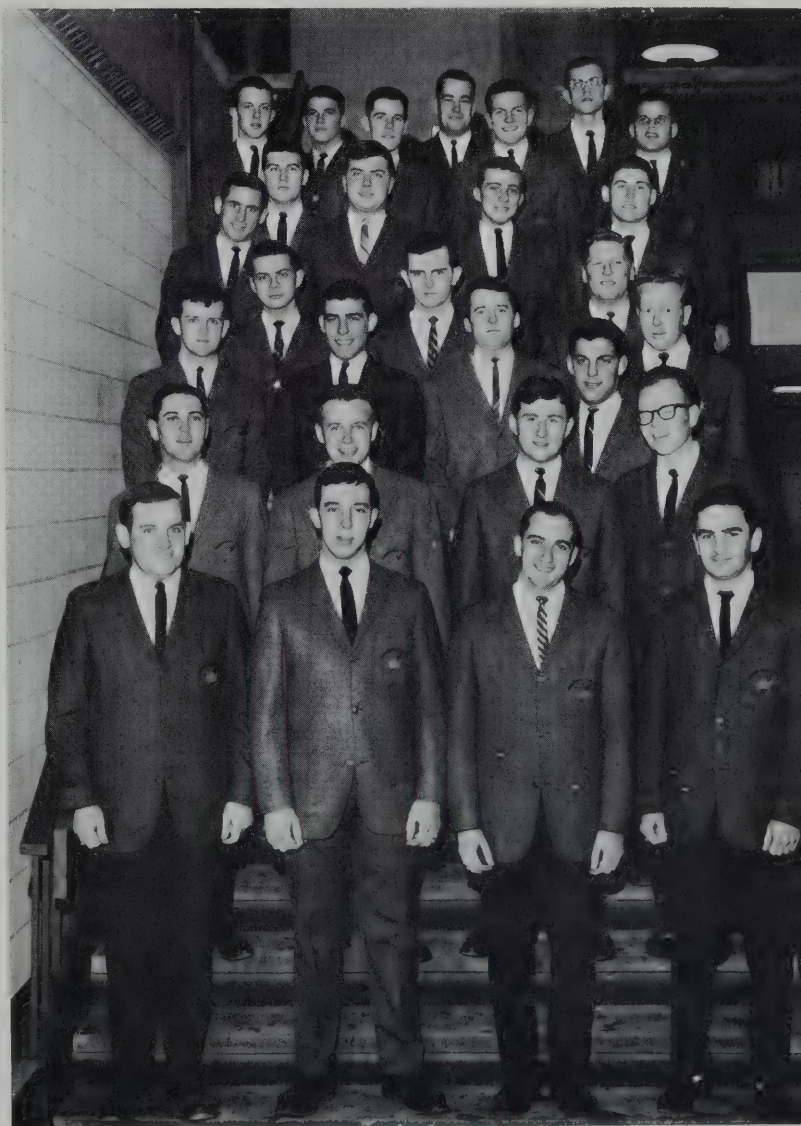

On his first day on campus, the somewhat bewildered "frosh" is greeted by a friendly upperclassmen clad in a grey jacket and a broad smile. This student is a member of the Crown and Sword Society, a group devoted to assisting students from Freshman Week through Senior Weekend.

The Crown and Sword, an honorary society on campus, devotes its energies to service of the faculty, the administration, the student body, and, most recently, community and charitable organizations.

In addition to planning and directing the activities of Freshman Week, the members serve as ushers for all Sunday Masses, special Feast Days, and home basketball games. Members are also called upon to show prospective freshman and their parents around the campus.

Each year the society takes part in organizing a Christmas party for the children at the St. Joseph's Child Center. Their service to the community includes helping to provide an annual scholarship for an underprivileged Vermont girl or boy wishing to enter nearby Trinity College or St. Michael's.

"Stat Pro Filius Vestris", the motto of the Crown and Sword, states that the society "Stands For Your Sons". In filling this capacity, the organization has served as liaison between the administration and the student and has aided in fostering good relations between the townspeople and the college.

Arnold Air Society

L-R, front to rear: A. Sauter, E. Church, D. Dermody, R. Anton, J. Reilly, D. Rack, A. Jaremczuk, W. Dec, G. Quinn, P. Koch, S. Buczak, J. Szostak, W. Geng, E. Moitoza, J. Beasely, J. Bellino, W. Bordeaux, J. Regina, J. O'Brien, S. Cole, J. Schmidt, E. Maloney.

The Air Force Reserve Officer Training Corps unit has been preparing men for service on the "aerospace team" for several years now. Through the efforts of the cadre, many St. Michael's graduates have discovered a new exciting career in the service of their country.

The Arnold Air Society, established by General "Hap" Arnold, has a clearly outlined mission in promoting "greater teamwork, technical knowledge and cooperation among students in the A.F.R.O.T.C. program". The Chaplain John Verret Squadron has endeavored to carry out this purpose through diligent and persistent effort.

Besides giving mutual benefits to its members, the Arnold Air Society also has a hand in many services performed for the community by the college. Like the Knights of Columbus and the Glee Club, the Society has worked to lighten the hearts of the children at St. Joseph's Orphanage. They have taken them to such events as football games and have donated money from some of their activities to the orphanage.

In years past the Arnold Air men directed the Military Weekend that used to be held in the fall of each year. Big name entertainers such as Illinois Jacquet and Jerry Wald will long be remembered by advanced and basic cadets alike.

This year Commander Ernest Church greeted the then Vice-President Johnson to the campus on behalf of the Arnold Air Society and the Cadet Corps.

Knights of Columbus

The Knights of Columbus comprise the largest campus organization at St. Michael's. The Father John Verret Council, No. 4870, has been active since the fall of 1959 and for the past five years has made significant contributions to the social and moral welfare of the campus.

Realizing that Catholic college students will assume positions of leadership in a few short years, the Knights began establishing councils at Catholic institutions of higher learning throughout the country. This was done in the hope that the Catholic graduate will prove a valuable assistant to the Church as a layman in later life.

Already this experiment is bearing fruit as can be seen by the activities of the Council installed here. Each year, the Council helps in putting on a Christmas party at St. Joseph's Orphanage in Burlington. For the past two years the Knights have received the Star Council Award, a national award given to the outstanding Catholic college council.

Among their other activities, the Knights of Columbus have raised funds for the chapel soon to be erected on campus.

L-R, front to rear: D. Cipriano, Grand Knight, Rev. Gerard Duford, S.S.E., Chaplain, F. Papp, J. Burke, E. Talbot, J. Dawson, D. Marcoux, T. Kane, J. Hult, E. Olander, W. Finkenzeller, D. Gravel, J. Howe, G. Regan, P. Cronan.

Glee Club

Much of the growth of St. Michael's is reflected in the growth of its many campus organizations. This is particularly true of the Glee Club which has distinguished itself in its many outstanding performances and achievements this year, as in the past. During the 12 years that the Glee Club has been giving concerts at both the college and on tour, it has assisted in enhancing the reputation of the college in many sections of the country.

Mr. John D. Donoghue saw the Club through its first eight years of harmony and counterpoint. Under his direction the Michaelmen cut their first record with Louis "Satchmo" Armstrong and gradually increased their repertoire.

For the past four years, Mr. William Tortolano has wielded the baton for the club in addition to his many other duties. Mr. Tortolano has carefully and selectively gathered all the finest voices from bass right up through tenor from all corners of the campus. This task is not as difficult as might appear since a position with the organization is highly coveted among the students so that whenever a replacement is needed, the audition schedule is heavy.

The club's repertoire has been greatly extended since its early days. In addition to the customary Eng-

lish and Latin numbers, French, German, and popular songs now pour forth from its collective voice.

One of the more recent milestones of the Glee Club was the recording of its second album a year ago.

All the Glee Club has accomplished is attributed rightfully to the 60 men who expend a great deal of energy and devote considerable time to achieve perfection. The work is difficult, the hours long; but all will agree that as a "labor of love", it is well worth the effort.

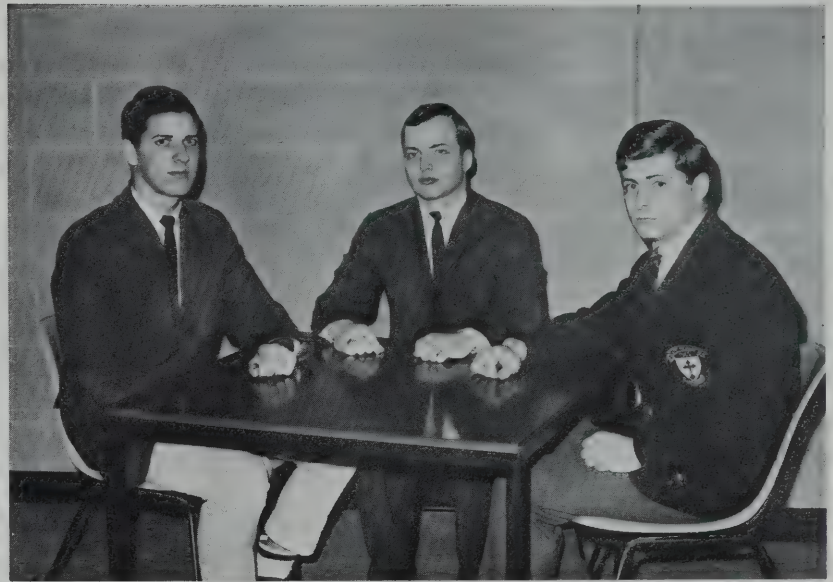

Seated: Mr. William Tortolano, Music Director.
Standing, L-R: R. Cosma, W. Bergin, Co-Secretaries;
P. Mahoney, Vice-Pres.; W. LeDoux, Librarian; T. McGrail, Pres.

The Quest

The *Quest*, a literary magazine published by the students of St. Michael's, serves as an organ through which a student may express his feelings or experiences, of thought, observation, or imagination.

Through the efforts of Mr. Bernard Gore of the English Department, the magazine was re-instated in 1960 and allocated sufficient funds to go to press.

Since its first year, the *Quest* has received a yearly influx of material from the student body. Consequently the college has enjoyed several successful publications and the magazine has received the wholehearted support of the entire campus.

L-R: W. Troy, K. Weixel, Editor; T. Buiso. Absent: J. L'Herault, Assoc. Editor.

Sociology Club

Seated: D. Marcoux, Vice-Pres.; T. McHale, Pres. Standing: J. Burke, Sec.; G. Chester, Treas.

The function of the Sociology Club is to keep all interested Michaelmen abreast of social problems present in the United States and throughout the world. In order to fulfill this purpose, the club schedules lectures, field trips and panel discussions related to the important sociological questions of the day.

In compliance with this aim, this academic year opened with a lecture by Mr. Pierson Ostrow, a representative of the N.A.A.C.P. The major portion of the first semester was then devoted to a series of seminars concerned with the plight of the Negro in America. During these seminars, selected individuals presented their views on this matter to the organization while questions and discussion followed.

In recent years there has been a change of attitude regarding the individual in society with a corresponding alteration of life. So that they might become more familiar with the current difficulties and philosophy of prisons, the club conducted a field trip to the State Prison in Windsor, Vermont.

During the second semester, Mr. John Kane of the Vermont Catholic Charities spoke to the club on the aims, methods and problems of that organization. The members then chose to devote the remainder of the year to seminars on this topic, similar to those discussions held in the fall.

Chemistry Society

AuH_2O is something of a campaign slogan that a current Republican Presidential hopeful has adopted. Hard as you may try, you will meet with little success should you try to find such a formula included in even the most conservative chemistry textbook. You will find a great many other recipes for making numerous chemical compounds and solutions, however, and this consumes the interest of many Michaelmen.

The Chemistry Society was established with the intent of promoting the chemist's vocation by instilling in him a desire to seek out fact through scientific methods. Too often, theory and supposition tends to lead the student away from such pursuits because of the often tedious work involved. The Chemistry Society has sought to remedy this through lectures given by faculty members, professional men, and classmates. To supplement this, movies and tours are offered to give the future scientist an accurate insight into the advantages and disadvantages of a scientific career. Equipped with this knowledge, many young men have found encouragement to pursue their empirical studies.

In order to familiarize others with the wonderment and complexities of science, the Chemistry Society, along with the Pre-Medical Society, sponsors an annual Science Night. High school students come from the surrounding area in goodly numbers to witness the demonstrations and experiments conducted by these clubs.

Seated, L-R: E. Olander, Parliamentarian; J. Testa, Treas.; J. Gauthier, Vice-Pres. Standing: G. Tocci, R. Provost, Pres.; J. Davidson, Forum Rep.

Pre-Medical Society

L-R: G. Reitweisner, Vice-Pres.; J. Guerrero, Pres.; D. Erba, Treas.; J. Sheehan, Sec.

The Pre-Medical Society at St. Michael's exists principally so that aspiring doctors and surgeons can become more acquainted with the nature of the medical profession. Through the efforts of this organization, many Biology concentrators have had the opportunity to discover which field of medicine is most advisable for them to pursue.

To this end, the society has accumulated a sizeable library of medical and dental school catalogues as well as other medical literature that is at the disposal of the members.

In order to procure more graphic information, local doctors are requested to give lectures regarding the problems usually encountered on the road to an M.D. Through such talks, and films and tours of local medical facilities, the Michaelman becomes familiar with the requirements of medical school and the responsibilities of medical practice.

The Pre-Medical Society co-sponsors an annual Science Night inviting high school students in the area to visit the campus and witness various scientific demonstrations.

Of particular benefit to the Burlington area are the two blood drives that are sponsored yearly by the society. This year Michaelmen turned out in such exceptional numbers that many would-be donors had to be turned away.

Politics Club

The Politics Club, a comparatively new club on campus, is the result of the federation of the Pre-Law Society and the old International Relations Club. In this respect it serves its members as a channel of information on local, state, national and international affairs.

By engendering an interest in political problems and civic activities, the club better equips its members to understand the world situation as it exists today.

The club also invites various speakers, such as lawyers, state officials and other men in government, to lecture to the members on graduate school, law school and their roles as leaders in the community.

L-R: P. Simmons, Sec.; J. Howe, Treas.; M. Smith, Pres.; J. Mazzei, Vice-Pres.

International Club

Although another of the younger organizations, the International Club fills a definite need in the life of Michaelmen. One need only pick up a newspaper or listen to a newscast to realize that the world is seriously harassed with problems of international relations. The major difficulty apparently lies in the fact that the citizens and governments of the world do not understand one another. The goal of the International Club is to bring about such understanding.

The Foreign Student Program at St. Michael's presents an excellent opportunity for the student to become better acquainted with his neighbors from foreign lands. Thus, the club set up small receptions in order that the young men from these foreign lands might meet the young American.

In the future, the club intends to diversify the means by which the youth of the world can "discover" each other. For the present, though, these receptions have met with a good deal of success. Many of the foreign students have been invited into the homes of Michaelmen, and these friends from distant lands have reciprocated.

Seated: N. Ravelo, Pres.; R. Werner, Sec. Standing: C. Ranges, Treas.; J. Graham, Vice-Pres.

Modern Language Club

Seated: N. Begnoche, Pres.; B. Burkhard, Vice-Pres. Standing: W. Murphy, Treas.; R. Gaudreau, Sec.

Education Club

As each year passes we become increasingly aware of the dangers that face education in America. More capable teachers and facilities will be required if our children are to be properly educated. The Education Club was set up to advance the aims and principles of education. Through the club, future teachers, college instructors, and professors acquire a deeper insight into the practicalities of their profession.

These young men take several education courses that provide them with the training necessary to effectively conduct a class. They also partake in the Student Teacher Program during the fall semester of their senior year. The club adds to this already adequate training by setting up an informative and stimulating schedule of activities.

The Education Club brings prominent speakers in the education field who explain to the members what they can expect once they have set foot into the classroom.

Through such meetings, the members get a firm grasp of what lies ahead for them when they become full-fledged teachers. They would not receive such information had they no such opportunity to learn from men directly involved with the different branches of education.

Although the meetings are not conducted in French, Spanish or German, the Modern Language Club has done more than its share in assisting the cultural growth of the St. Michael student. The aim of the club is to encourage and aid those who are studying foreign languages or have an interest in this subject.

Several of the concentrations at the college require a two-year study of a foreign tongue as part of their programs. Naturally, there are some who find this requirement somewhat difficult to fulfill. In the past the club has conducted an extensive tutoring service supplying substantial aid to those taking Spanish, French and German, thus providing invaluable help to them.

Through the efforts of Dr. Alfred Cismaru and the club officers, several motion pictures made in Europe have been shown on campus. Such films, coupled with trips to Montreal, have enabled the members to not only come to a finer appreciation of the French vernacular, but also to come to a better understanding of the people who speak these often strange sounding languages.

L-R, Seated: J. Kraut, Pres.; W. Daignault, Treas. Standing: D. Gravel, Vice-Pres.; D. Donovan, Sec.

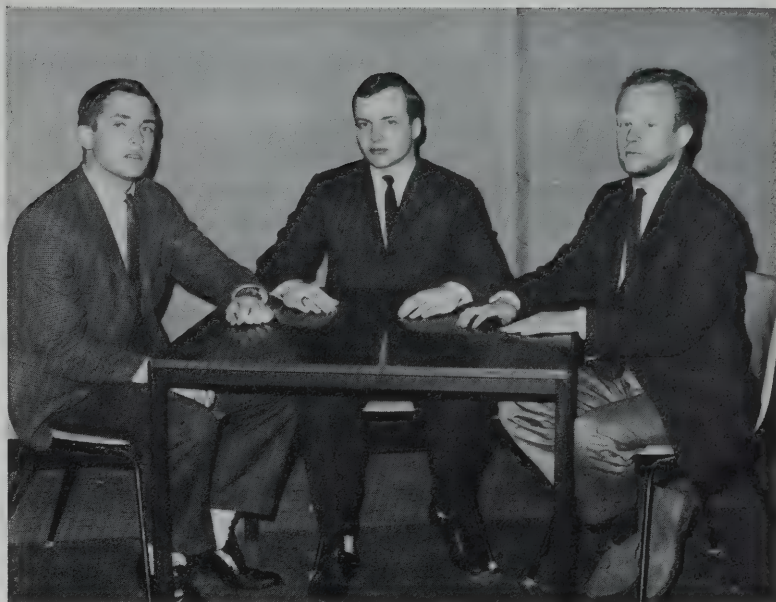

English Club

"To be or not to be" wrote the Bard 30 decades ago to the year. The tercentenary of the birth of William Shakespeare sees the English Club as an active group composed of literary-minded Michaelmen. Shakespeare, though renowned as one of the greatest poets of all time, is by no means the only author worthy of attention. The English Club strives to supply a greater knowledge and understanding of numerous immortal works and writers to its members.

Since its founding in 1962, the English Club has engaged many capable people in various fields as speakers. Such lectures have been delivered by the faculty, the members, and by scholars from off campus. These talks have enabled the students to increase their knowledge of American and English poets, dramatists and novelists, both past and present.

This year the club has expanded its program to include all of the arts. A lecture on modern art and a seminar on folk music were conducted along with the usual discussions such as the one held on the American critic and poet, T. S. Eliot.

As with most organizations on campus, the English Club is open to all who wish to join. By widening the scope of the club, the officers hope to attract members who desire a greater knowledge of the humanities.

L-R: T. Edwards, Sec.; K. Weixel, Pres.; J. Howe, Program Director. Absent: A. MacDonald, Vice-Pres.

Holy Name Society

The Holy Name Society, organized in 1962, was instituted at the college to promote the spiritual welfare of Catholic students by enabling them to participate in activities conducive to producing Catholic gentlemen.

This society, numbering approximately 150 students, is guided by Catholic principles and is dedicated to the reverence of the name of Jesus. The society is most fortunate in receiving the helpful and enthusiastic guidance of the campus spiritual director, Fr. Ziter.

Among its many projects during the past two years have been a number of clothing drives for the benefit of the southern missions of the Society of St. Edmund; publicity work for the campus Spiritual Program; and the joint sponsoring of the annual Christmas party for the orphans of Burlington's St. Joseph's Orphanage.

L-R: T. Edwards, Pres.; R. Eicher, Vice-Pres.; W. Turgeon, Sec. Absent: J. MacDonald, Treas.

WSSE

This year marked the tenth anniversary of WSSE's existence on the Hilltop. From meager beginnings in 1953, in a two room studio, WSSE has continually advanced to its present physical plant which includes a six-room studio in "Miketown".

New and improved methods of training prospective staff members were introduced this year. All new members were more extensively trained and auditioned before being allowed "on the air". This new procedure was adopted to improve the quality of announcers on the staff and to make them more aware of the demands of radio. Under technical director John McDonald, and personnel director Michael Martin, this program proved very successful.

As in years past, variety was the key to the program schedule. The schedule, as it presently exists, was introduced last year and was improved upon this year by J. Thomas Johnson, program director. The introduction of new programs, such as "Tom and Jerry on Sports", "Campus Hootenanny", and "Studio X", an informal discussion and variety program, added depth to a highly successful schedule.

L-R: T. Johnson, Prog. Dir.; J. MacDonald, Tech. Dir.; Mr. W. Mazur, Moderator; M. Martin, Per. Dir.; M. John, Station Mgr.

Business Forum

The Business Forum was established for the purpose of acquainting the student with the function and activities of today's highly complex business world. It has achieved this through panel discussions, lectures by prominent businessmen, educational movies, and visits to large corporations in the area.

The membership of this club surpasses all others on the campus. Admittedly, the business majors constitute a majority at St. Michael's and consequently enjoy an enrollment of approximately 150 undergraduate students. But, because of the interesting program planned by the officers in the beginning of each year, the number of members increased by an influx of students from other concentrations, thereby affording students with other interests an insight into business activities.

L-R: P. Cronan, Pres.; R. Handel, Sec.; F. Logan, Vice-Pres.; R. Bushel, Treas.

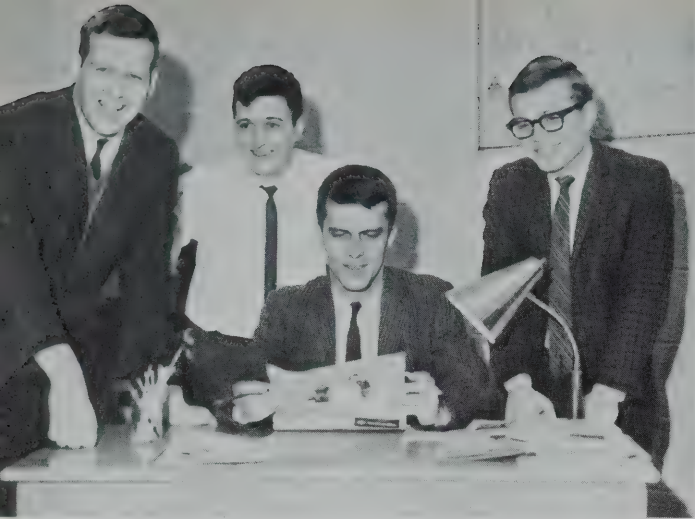

Dramatics Society

The function of the recently re-established Dramatic Society is the cultivation and presentation of the theatre arts at St. Michael's. This has been accomplished through the development of skills in the art of acting and stagecraft in cooperation with the other campus performance organizations.

The achievements of the society are many, but perhaps the outstanding one in our minds is the production this year of the Lerner and Loewe musical, "Brigadoon". This prodigious undertaking was completely successful and enjoyed standing room only audiences during its run.

The Michaelman

ST. MICHAEL'S COLLEGE, WINOOSKI, VERMONT

VOL. 17 NO. 9

DECEMBER 7, 6

That august publication, *The New York Times*, is by far and away one of the most respected journals at St. Michael's. Despite this, however, all will readily admit that even this fine newspaper has its limitations, insofar as it does not keep the Michaelmen abreast of events taking place on campus. In order to compensate for this lack of news, *The Michaelman*, the student newspaper at the college, was organized to keep the undergraduates aware of the activities that transpire in Winooski Park.

For the past two years, Paul B. Simmons has done an outstanding job as Editor-In-Chief of the weekly newspaper. Mr. Simmons, his talented and hard-working staff have provided the students not only with a wealth of information, but also with enlightening editorials regarding local and world affairs.

In addition to the many staff reporters who gather newsworthy material and transform it into concise and lucid articles, we must also give credit to those dedicated few who devote Thursday night to getting the paper into print.

Needless to say, much of this effort would be in vain were it not for the advice and counsel of Mr. John Donoghue, moderator of *The Michaelman*, and Public Relations Director of the college.

DET. 865

AFROTC

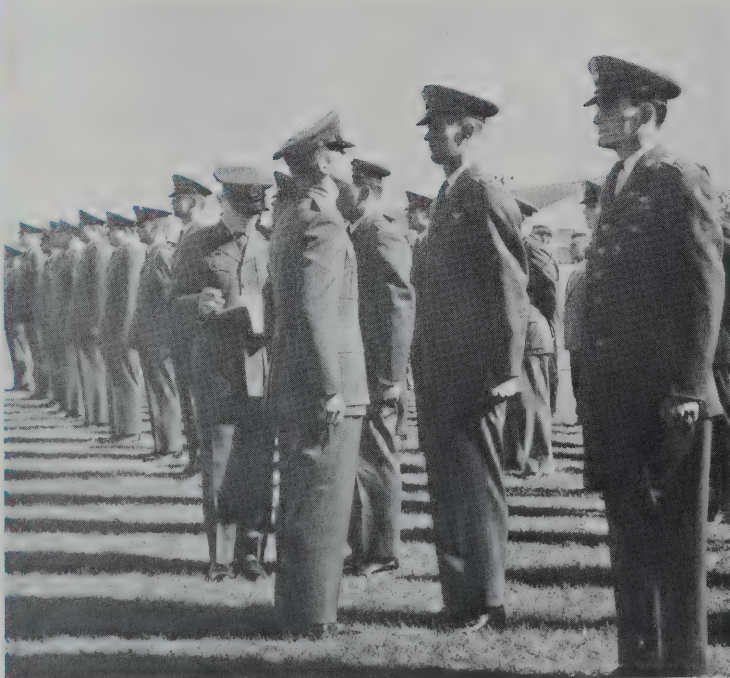

Col. Flannigan
Professor of Air Science

This year, Saint Michael's College AFROTC Detachment 865, boasted the largest unit in New England. Under the Professor of Air Science, Lt. Col. William Flannigan, and Cadet Colonel John Reilly, the detachment has been training and developing over 600 cadets.

In June, thirty-six seniors in the advanced corps will be commissioned upon their graduation from the college. These "second Johns" will then disperse all over the world to serve their country.

Compulsory for Freshman and Sophomore students since its establishment on campus in 1951, the ROTC program will reopen in the fall of this year on a voluntary basis. In announcing the change, Col. Flannigan noted that at the twenty-eight colleges and universities which have made this change over the past few years, there has been a "higher *esprit de corps*" among the participants in the ROTC programs.

A special feature of the program at St. Michael's has been the annual Final Review which takes place during Parents' Weekend before an assembly of students and their families.

Armed Drill Team

MARS RADIO STATION

The Saint Michael's AFROTC Unarmed Drill Team has been the "Area A" New England Championship Team for the past seven years, an area as well as national record.

The Drill Team has also won first prize as a marching unit in the Malone, N. Y., Winter Carnival for the past three years.

The forty-man unit was under the command this year of Cadet Major John Durkin. This was Durkin's second year as commander of the unit.

The Armed Drill Team has also competed successfully in the Malone Carnival, winning three first prizes. The group, numbering thirty cadets, serves as the official Honor Guard for all AFROTC formal functions including the annual Military Ball and the Final Review.

Also an integral part of the ROTC program at St. Michael's is the cadet-operated M.A.R.S. (Military Affiliate Radio Station), a short-wave station which connects the unit here with similar units all over the country. The station conducts classes for interested cadets and has "graduated" a number of "Hams" during the past decade.

QUOTE

"It was the best of times, it was the worst of times . . . it was the winter of hope, it was the spring of despair . . ."

from C. Dickens—*Tale of Two Cities*

ST. MICHAEL'S COLLEGE

VARSITY BASKETBALL

1963-1964

Seated, L-R: Captain Marty King, Brian Quinn, Rich Tarrant, Ed Kryger, Phil Taylor. Standing L-R: George "Doc" Jacobs, Athletic Director, Bill Cummins, Jim Dooley, Bill

Sullivan, Coach Ed Markey, John Jachym, Danny Connelly, Manager Mike Tranghese.

Edward P. Markey
Varsity Coach

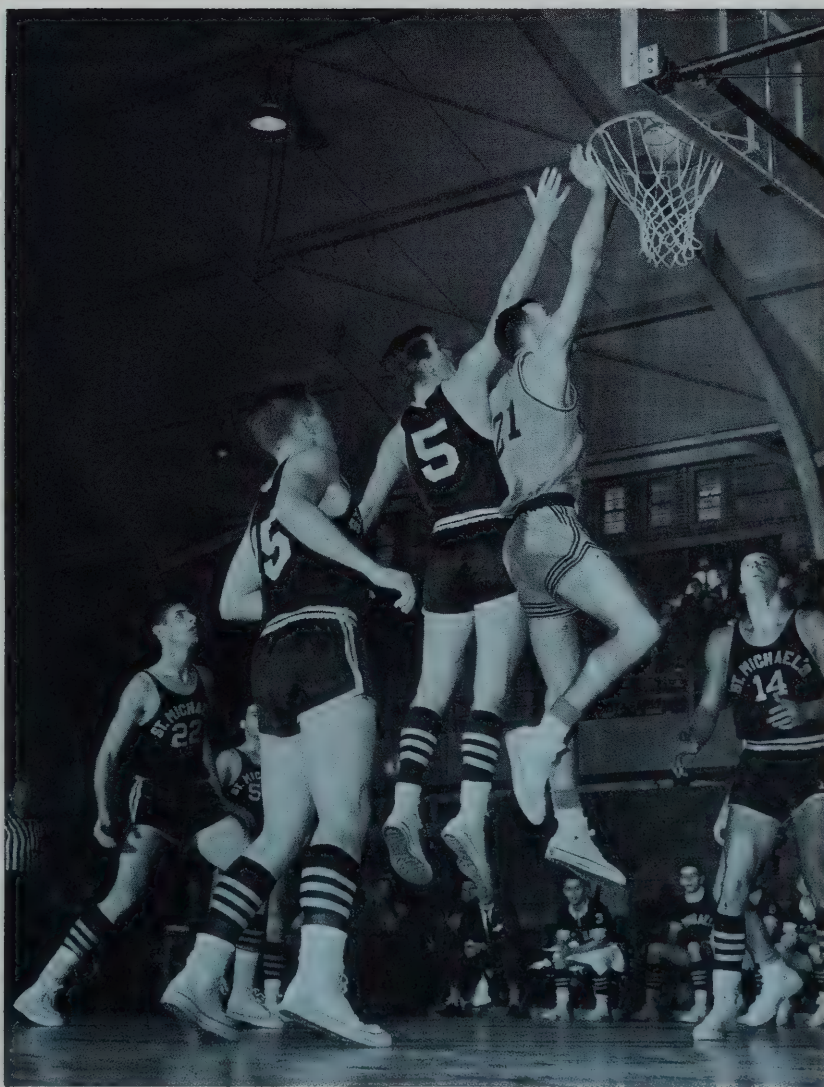

George "Doc" Jacobs
Athletic Director

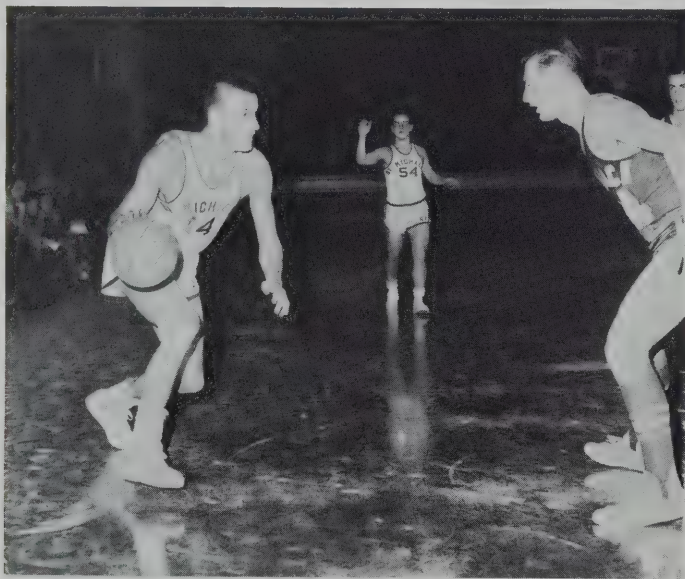

In December of 1963, George "Doc" Jacobs relinquished the S.M.C. coaching reins to Ed Markey '51. "Doc" came to Saint Michael's in 1947 and assumed the positions of athletic director and head coach. Until 1954, he directed the football Knights, compiling a fine 22-8-2 record.

In 1952, "Doc" began to mold a basketball powerhouse. These teams included three straight trips to the N.C.A.A. small college national championships in Evansville, Indiana. Eleven years at the helm produced an overall record of 158 victories as compared to 107 defeats. In addition to this the Purple Knights have captured the Vermont state title nine times in succession.

If the '63-'64 season is any indication of what can be expected from Ed Markey's ball clubs, then Saint Michael's will be a small college basketball power ad infinitum. When Ed took over, Knights were winless in three attempts and from this dismal beginning Markey managed to build a very respectable 16-9 record.

Markey was previously the freshman coach and had several undefeated seasons. His teams once won 27 consecutive games.

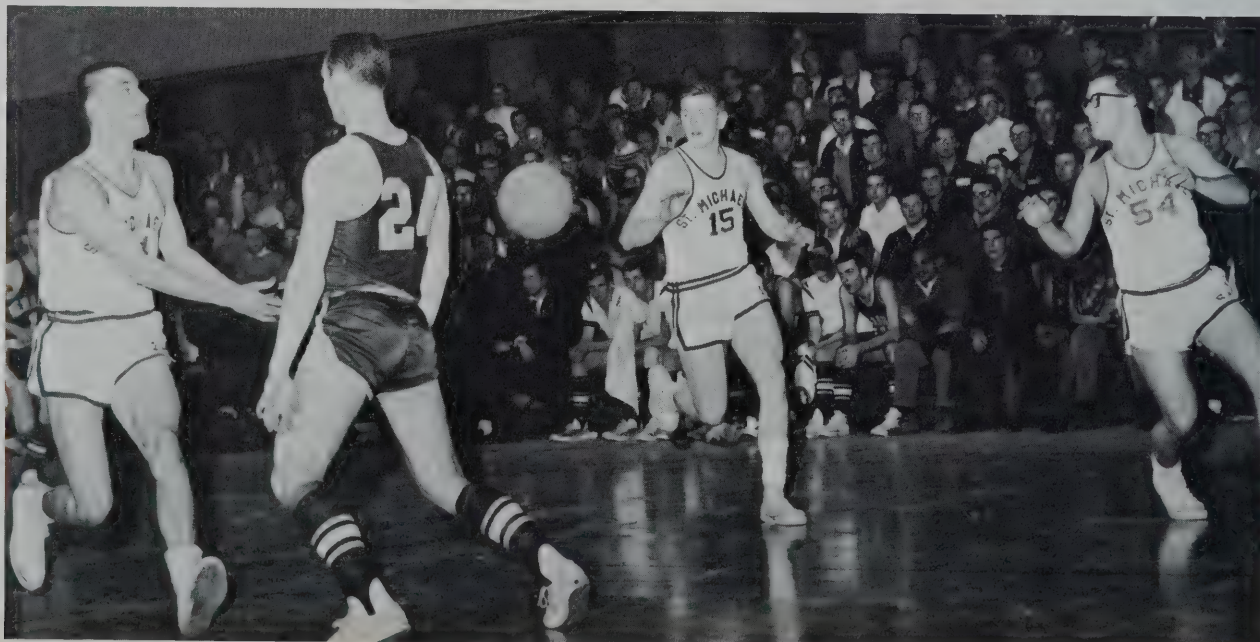

VARSITY BASKETBALL

Pre-season optimism reigned as the 1963-1964 Purple Knights embarked on their most ambitious schedule. Back from last years fine squad were double figure scorers Rich Tarrant, Ed Kryger, and Eddie McDonnell. Added to this impressive trio were Vin Kazalonis, who became eligible after scorching the nets on the freshmen team two seasons ago, and last years' frosh standout Phil Taylor. Coach Doc Jacobs also had a crack bench built around veteran backcourt operators Marty King and Billy Cummins along with transfer Jungle Jim Dooley.

A week prior to the opener with the Rams of U.R.I., the Knights basketball hopes were dealt a severe blow when McDonnell was forced to leave the ball club. The wiry senior, adept at either the front or back court, was counted on to provide the spark and the leadership on the club.

With Dooley replacing McDonnell, a flu-ridden Knight team travelled to Kingston, R.I. to face the heavily favored Rams in the season opener. Despite second half heroics by Kryger who meshed 29 points for the contest, the talented Rams managed to cling to their early lead and prevail by a score of 76-73.

The following night the Knights encountered tough Holy Cross in Worcester. A great shooting exhibition by Tarrant kept the hustling Knights in contention until the waning minutes of the game when the smooth Crusaders pulled away to a misleading 87-63 win. Tarrant's game high of 29 points was a preview of the forthcoming season for the slender Junior.

Down 0-2 for the season the Knights faced Adelphi in the home opener. Some clutch foul shooting in the closing minutes enabled the visitors to eke out a 68-63 victory over the disappointing Purple. Tarrant again was high scorer with 26 markers.

At this point in the season the veteran Jacobs decided to turn over the coaching reigns to his assistant Ed Markey. This move was necessitated because Jacobs dual responsibilities of head coach and athletic director drew too heavily on his time.

With Markey at the helm the Knights coasted to their initial victory of the campaign over hapless Middlebury 98-52. Brian Quinn and Jim Dooley with 14 and 13 points respectively led the well balanced attack. The game served as a warm-up for the Knights who then left for Fort Lejeune and the first of their two holiday tournaments.

Richard "Dick" Tarrant

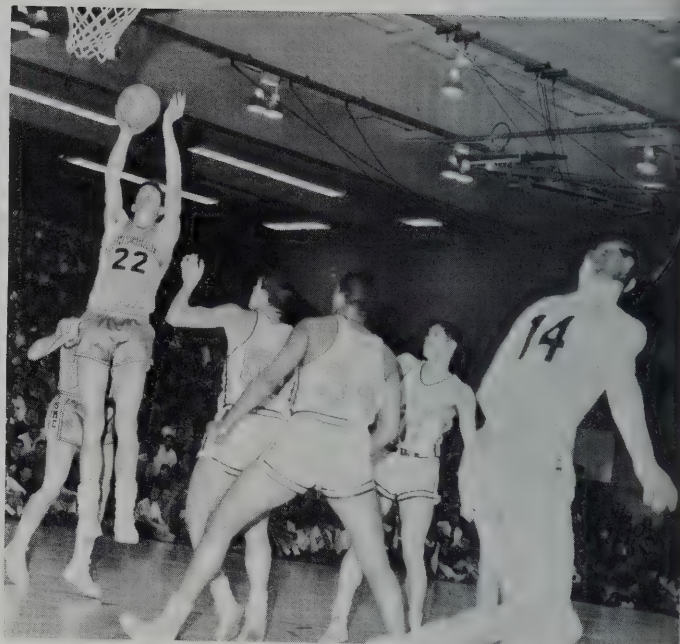

Richie "The Robot" Tarrant was probably the most exciting basketball player St. Michael's fans have ever seen, and future Knight stars will have to go along way to top his vast catalog of records.

The Associated Press named the Dean's List center on its All-New England Team, ECAC picked him All-East and United Press International placed him on the Little All-American Second Team.

"The Robot" set six records: most points (699); most field goals (236); most foul throws (199); most free throws in one game (21 for 25); highest season average (29.2); highest overall average (23.8).

It would be hard to pick Tarrant's best game, but possibly the tough loss to the University of Massachusetts would qualify. In that encounter, the smooth, double-handed, flawless Tarrant garnered 39 points.

Not only is Dick Tarrant sterling on the court, he is a true Christian gentleman on and off the campus. Truly, the Hilltop will never forget him.

Rich receives M.V.P. Award at Loyola Invitational Tournament.

Rev. Aloysius Galvin, Dean of Loyola College, awards the Loyola Holiday Invitational Tournament Trophy, to Coach Ed Markey.

The Knights were paired with a tall, talented Wilmington College in the opening game of the Lejune Tournament. Despite the fine shooting of Tarrant, who led the club with 31 points, the Purple succumbed 96-87.

Playing in the losers bracket, the high scoring Knights defeated their next two opponents, Frederick College 85-82 and Mercer College 91-69 to garner consolation honors. Tarrant swished 51 points in the two games to again cop scoring honors.

Advancing to the Loyola Tournament in Baltimore, the red-hot Knights defeated both the University of Delaware (100-82) and host club Loyola (96-89) to annex the title. It marked the first tournament title for the Knights since they won the Down East Classic during the 1958-1959 season. Tarrant amassed 72 points in the two games to walk off with MVP honors. He also teamed with Kryger in the all tournament selections.

It was during this tournament that the Knights lost their second regular of the season. Vin Kazalonis, who had just started to hit his scoring stride, was forced to the side lines for the remainder of the season with a back injury. Kaz averaged better than 14 ppg. and his all around ability left a void that was never quite filled.

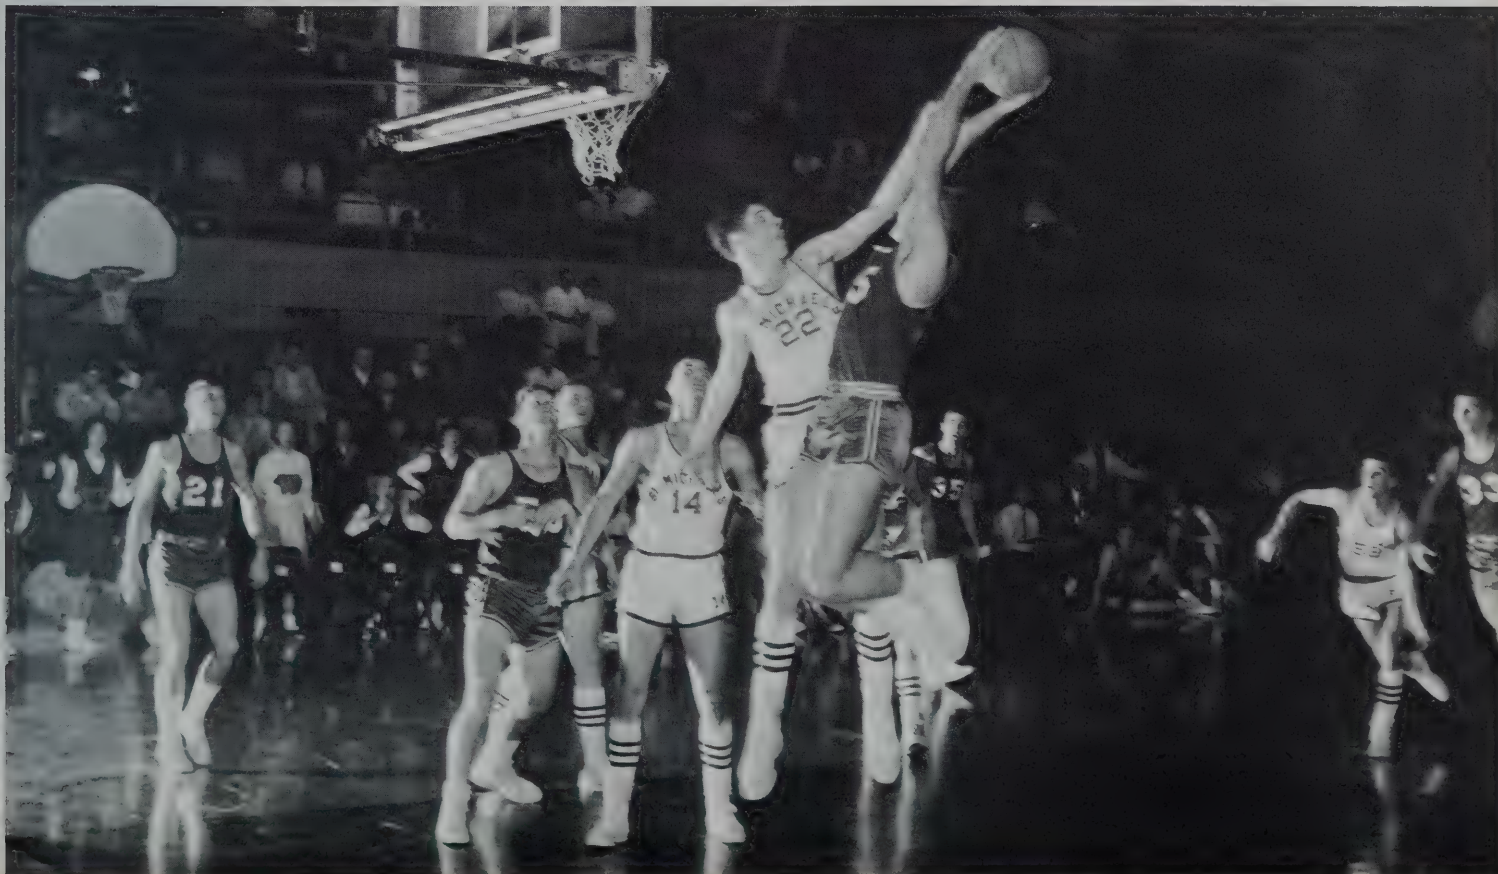

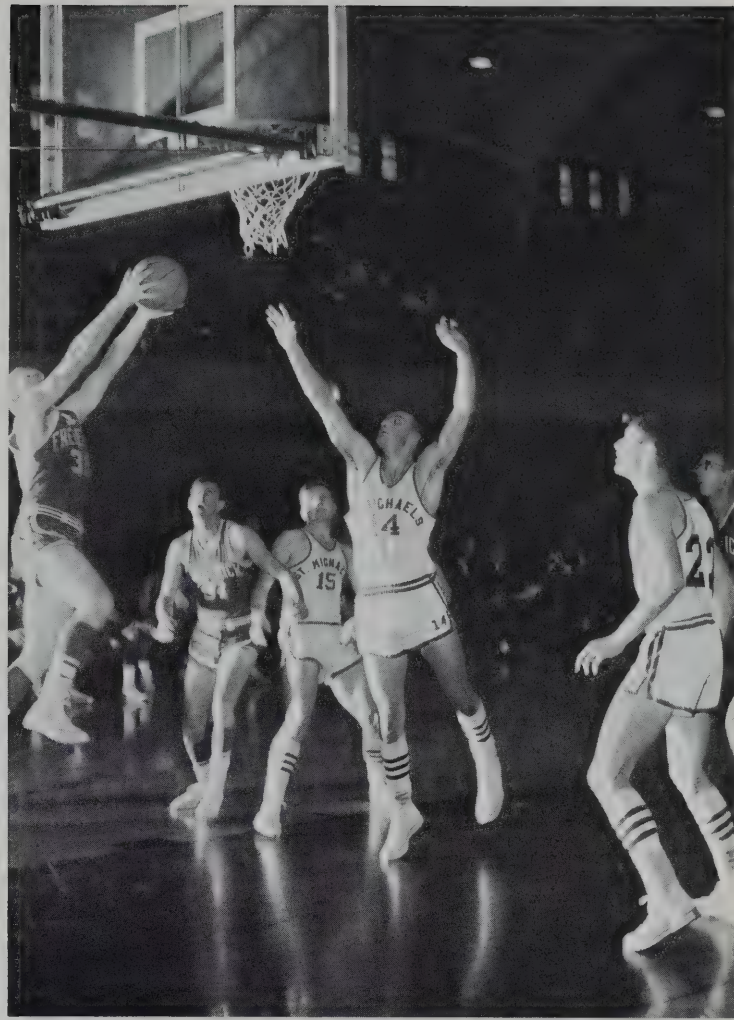

Stopping off at Springfield on the last leg of their holiday jaunt, the Knights encountered stiff opposition from a scrappy A.I.C. ball club. However the Purple, behind Tarrant's 34 points, finally subdued the determined Aces 77-71.

State rival Norwich was next on the Knight's agenda. In this game Tarrant tallied a career high of 40 points to lead his mates to a 90-71 victory over the weak Cadet "5".

Returning home after the extended road trip, the Knights encountered Yankee Conference powerhouse Massachusetts. One of the greatest ball games ever played in the Burlington area saw the Redmen pull out all stops to edge the fired-up Knights 92-90 in triple overtime. Tarrant was fantastic with his 39 points although it was a great team effort on the part of the Knights.

The Purple next traveled to the Granite State to play the UNH and St. Anselm's. In an exciting ball game that went down to the wire, the Knights defeated the Wildcats 84-82. Against St. Anselm's, however, they had a cold night and wound up on the short end of a 81-75 score. Tarrant again led the scorers with 25 and 35 points in the two contests.

With their season's record standing at 8-6, the Knights traveled to Syracuse to play LeMoyne. A closing rally fell short as the Purple lost another squeaker 75-71. Tarrant's 30 points were again high in the game.

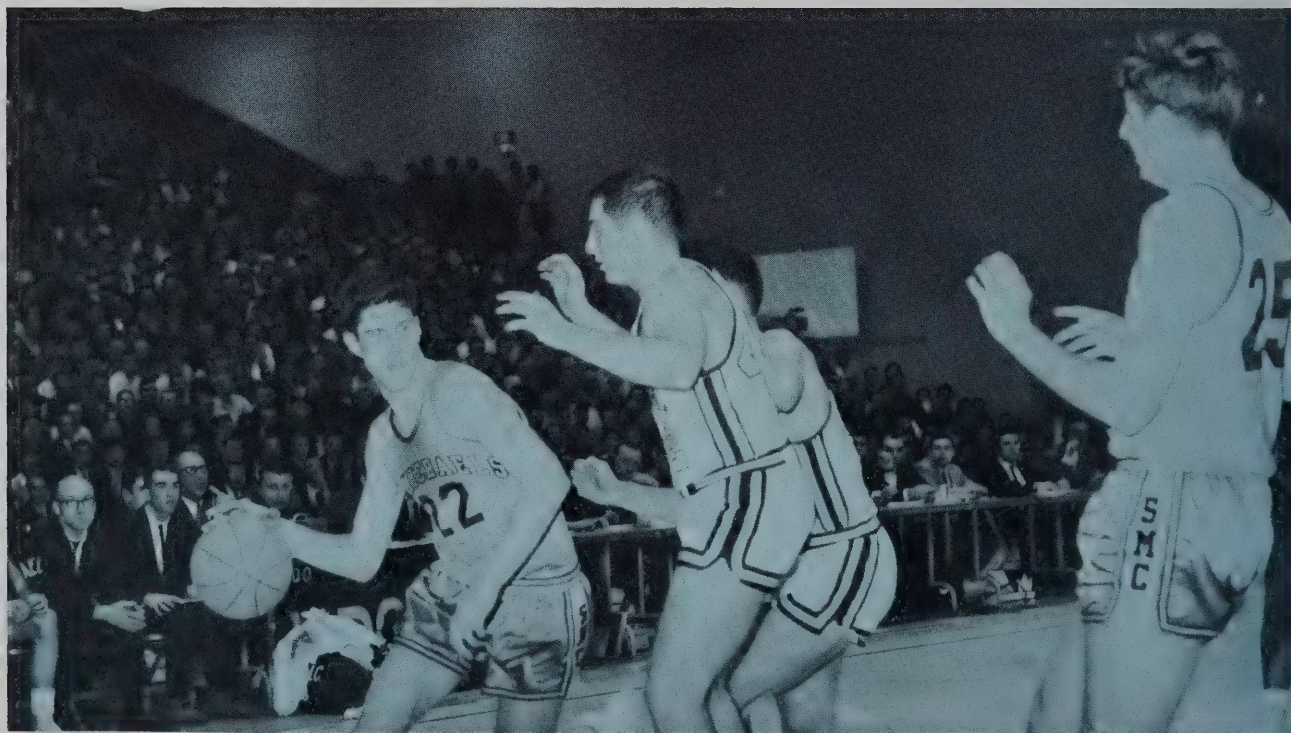

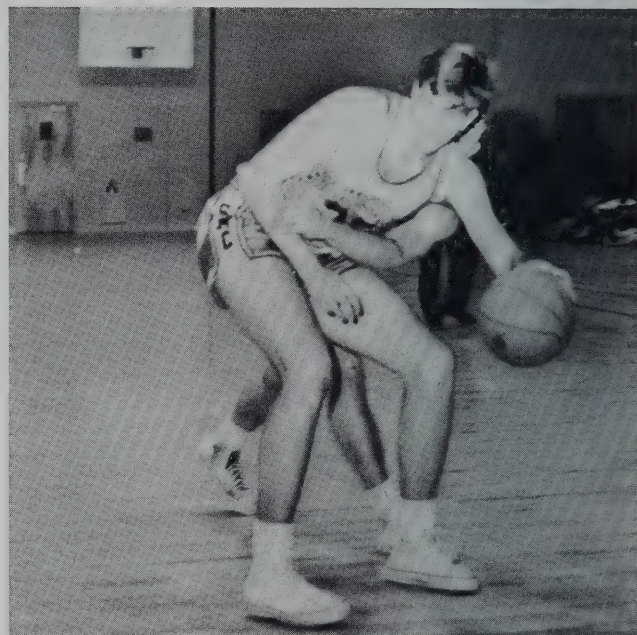

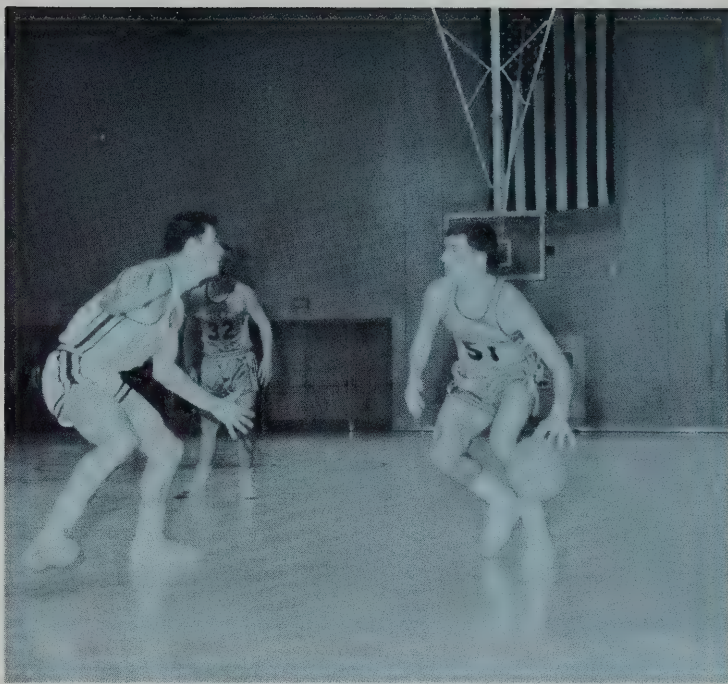

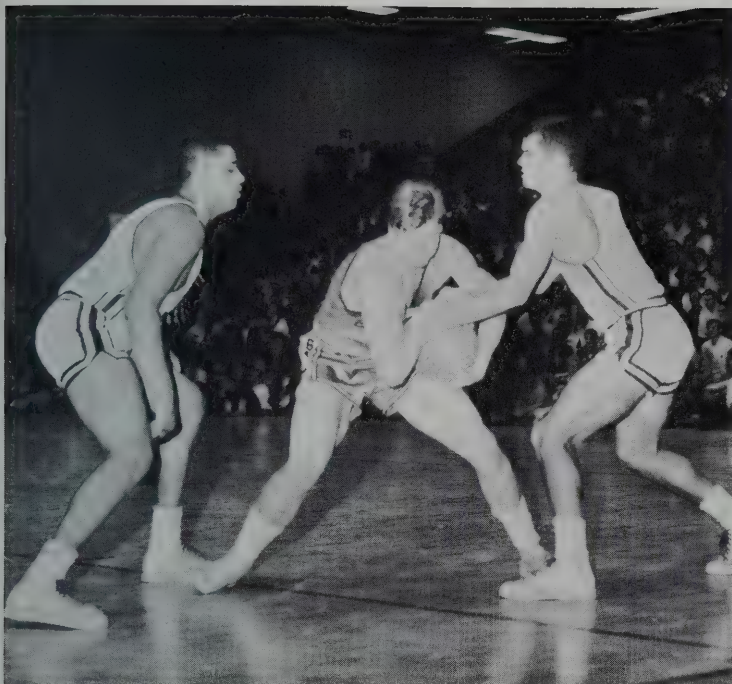

Returning home, the Markeymen mauled Merrimack College 108-61. Tarrant's 38 points were high in the contest which featured an unusual second half freeze by Merrimack in an unsuccessful effort to keep the score down.

The next ball game pitted the Knights against undefeated Assumption. Coach Markey's chargers wasted this game badly. However, Dame Fortune turned against the Knights as they just couldn't get the breaks. Lost via the foul route were Tarrant, Kryger and King. Their substitutes gave their best but it wasn't enough as the Knights dropped number eight 76-70.

The Purple, behind Tarrant's 21 markers, came back with a strong 105-77 slaughter of Norwich. It was evident, however, that the Knights had suffered a let-down when they lost to red-hot St. Lawrence 113-106 despite a pair of 24 point performances by Kryger and Tarrant. This loss virtually eliminated the Knights from a consideration for a post season berth.

The Markeymen rolled over three weak opponents in preparation for the first UVM encounter. Middlebury (71-60), Stonehill (89-75), and Brandeis (96-66) fell before the Knight's lance. Taylor with 23, against the Middlies, Tarrant with 33 against the Chiefs, and 25 against the Judges topped the scorers.

Facing arch-rival Vermont in their initial meeting, the Knights were installed as heavy favorites to capture another Green Mountain title. A determined Catamount five brought the Purple right down to the buzzer before bowing 78-77. Tarrant with 34 was the games top marksman.

In the final road game of the season, the Knights pushed their winning streak to five with a convincing 83-70 win over the University of Hartford. Tarrant's 34 points marked the fourteenth time that the lithe Junior crashed the "30" or better circle.

Setting out to avenge last years humiliating defeat in Patrick Gymnasium, the Knights squared off against the now respected Cats. Behind Kryger's long outside bombs, the Knights went into the dressing room with a slight 35 to 32 lead. In the second half the Cats caught fire and led by as many as five points until Tarrant got hot and iced the game for the Purple by a score of 84-74. Richie scored 31 in the season's finale.

Tarrant, of course, was mainly responsible for the teams success with his remarkable scoring ability, usually against two or three defenders. However, playing in his shadow were some outstanding ball players. Eddie Kryger, a tremendous team ball player, did everything that you could ask a ball player to do. "Old aches and pains" hustled, passed, rebounded and of course scored with amazing accuracy. High jumping Phil "Sugarpops" Taylor came on strong during the last half of the season. He became the Knights' defensive ace and scored well once he regained his confidence. Brian Quinn's hustle and basketball know-how were strong pluses in the Knight's attack. Bill Cummins' forte was his ability to come off the bench and spark a comeback rally. Big Bill Sullivan and Jim Dooley improved as the season progressed and this tandem took care of the "police-men" duties when things got rough.

Senior John Jachym was just beginning to produce for Coach Markey when he received an injury that immobilized him for almost the entire second half of the schedule. His versatility was a great asset to the club. Last but not least was Capt. Marty King. Marty was pulled from relative obscurity by Coach Markey during the Lejeune Tournament and told to take charge. Marty produced and the team immediately jelled behind the chunky senior's fiery leadership. Marty's heads-up play will be sorely missed next season.

Next year has to be the year for the Purple. Losing only King and Jachym, the Knights have to be considered as one of New England's top teams. Coach Markey is high on Bobby Kryger and Bruce Stryhaus, both transfer students, to supply the backcourt with speed and the good outside shot that would help take the pressure off Tarrant's inside scoring.

Opponents' Totals			25	779			361					1923	76.9

New records set: The total of 2,139 points tops the previous record of 2,015, set in 1956-57. The previous highest game average, set that year, was 80.6. The new record is 85.5, helped by four games in which the Knights hit 100 or better.

Freshman Basketball

Seated, L-R: Dick Kacprowicz, Joe Ippolito, Dick Falkenbush, Jack Bison, Bob Dunshee, Kenny Juall. Standing L-R: Associate Coach Bob Etherson, Bob Irish, Peter "Snake" Legere, Stevie Tilton, Charlie Finnegan, Bob Warner, Manager.

Hustle and determination were the keys to success for this year's edition of the Purple Squires. The yearlings, while lacking height and depth, always gave 100% for their new coaches Athletic Director "Doc" Jacobs and his new associate coach, S.M.C. Junior Bob Etherson.

With Frosh mentor, Ed Markey, elevated to head varsity coach early in the season, the young Squires were faced with the tough task of adjusting to the different styles of their new coaches. Nevertheless, they rose to the occasion in the true Michaelman spirit and posted a respectable 6-4 ledger. After being soundly trounced by the Norwich Frosh early in the season, the Squires bounced back to take the next

meeting between the two clubs 71-60. Later in the season they scored a convincing nine point victory over Dartmouth after suffering a one-sided loss a month before.

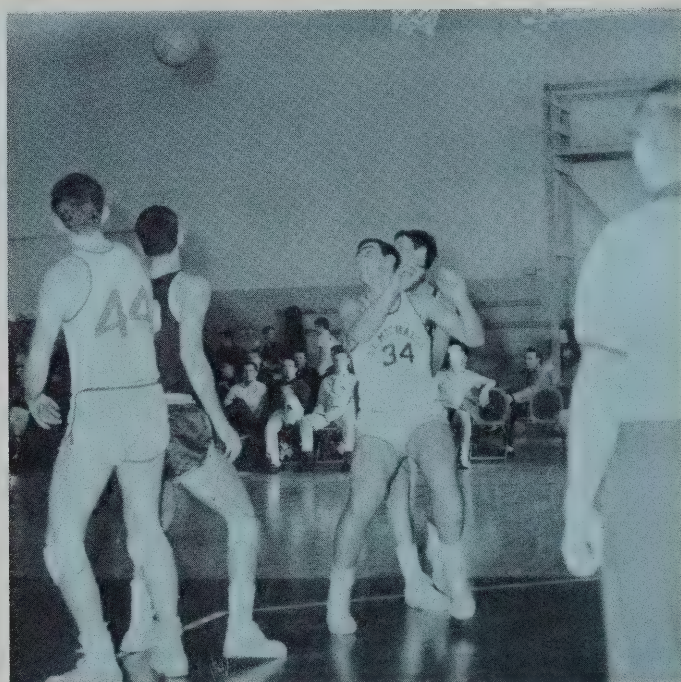

Dick Falkenbush, a lean forward, improved rapidly as the season progressed. He averaged 21 points in his last five tilts to lead his mates in the overall scoring with close to 17 points per game. He was followed by Rich Karpowicz who cut the cords at a 14.4 clip. Rich scored well from his backcourt slot. Center Jack Bison rebounded well and averaged 10 ppg. Speedy guard Steve Tilton averaged a shade under nine points and consistently set up the big men with his deft passes. Rugged rebounders Bob Dunshee and Joe Ippolito alternated in the fifth starting berth.

SEASON — 6-4

SOCCER

1963-1964

Kneeling, L-R: Bobby Tobin, Nick Ravelo, Tony Jaremczuk, Jack Davidson, Corky Lavezzoli, Mike Cambo, Jim Donald. Standing, L-R: Coach Armando "Doc" Citarella,

John Higgins, Norm Roy, Dick Endrelunas, Rog Anton, Jack Hult, Humberto Cosenza, Wilhelm Jaremczuk, Juan Tomayo, and Frank Logan. Missing — B. Donald Capt.)

The S.M.C. Booters in their fourth season under the tutelage of Dr. Armando Citarella compiled a respectable 4-2-2 overall record and a 2-1-1 record in Vermont competition.

They began the season with three straight wins, the finest opening in the team's short history. A 3-2 overtime victory against the Larries of Saint Lawrence University proved to be a real thriller. The Knights also completely dominated the game with last year's N.A.I.A. champions, Castleton College, winning the primarily defensive contest on Nick Ravelo's lone goal.

However, a series of injuries then plagued the club and greatly hindered their power. After losing Captain Bud Donald, the club traveled to nationally ranked Middlebury only to see their star goalie, Dick Endre-lunas, suffer a severe concussion. Even though the Knights stayed right in the game despite their injuries, and a few tough breaks, the contest ended with our booters on the short end of a 3-1 decision. Against Lowell Tech, however, they rallied to gain a 3-3 tie. Bob Tobin's able handling of the goal tending chores and Humberto Cosenza's offensive punch made the difference.

Windham was a record-breaking contest in every sense of the word. The Knights completely overpowered their opponents by driving 10 goals through the nets while allowing only one Windham tally. This victory marked the team's highest offensive output and high scorer Jack Davidson added the further distinction by becoming the first Saint Michael's player to score the "hat trick".

There were many reasons for the Booters' successful season, but the major ones were Juan Tamayo's deadly accurate penalty kicks, Nick Ravelo's cool heads-up play, and a virtually impenetrable defense.

"Doc" Citarella

A major highlight this year was the inception of a Vermont All-State Soccer Team on which S.M.C. placed three men. They were Dick Endrelunas, Bud Donald, and Humberto Cosenza. Endrelunas, by repelling 85 shots in 6 games and by stopping 6 out of 9 penalty kicks, was a unanimous choice. Defenseman Donald, led the Saint Michael's defense in the very difficult safety position. Deft dribbling and uncanny kicking, plus three timely goals, made Cosenza another obvious choice.

This year, 12 seniors will graduate hence a majority of the original players who built the club will be gone. These seniors can be proud of the job they did of helping soccer gain importance on the Hilltop.

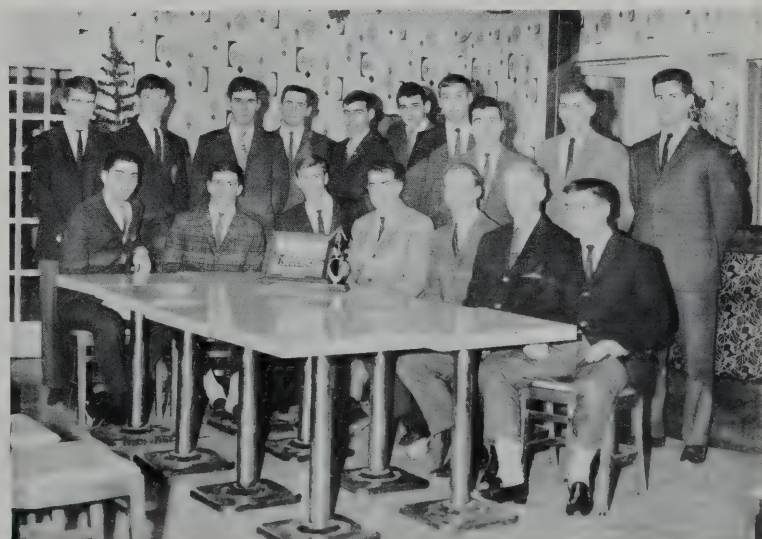

Roger Anton's powerful toe at fullback and Mike

Cambo's "heading" ability and rugged defensive work, helped the club considerably. Needless to say, Bud Donald and Dick Endrelunas made the crucial difference in more than one ball game. Adept full-back Corky Lavezzoli had good speed and dribbling and defensive threat. Burly fullback Norm Roy was always on hand to break up those defensive traffic jams. Versatile Bob Tobin played both goalie and halfback and turned in fine performances at both positions. John Hult's precise crosses to center from the wing, like Tony Jaremczuk's low, well aimed shots, greatly aided the team effort. Juan Tamayo and Nick Ravello, two Latin American boys, not only gave important pointers to the others, but their ball handling and kicking finesse were something to behold.

At the close of the season, the team's organizer and able coach, "Doc" Citarella, decided to step down in order to devote full time to his academic pursuits. The team and the entire student body surely owe their gratitude and respect to "Doc" for a job well done.

Varsity Golf

Kneeling, L-R: Ernie Church, Don Bank, John Colangelo. Standing L-R: Walt Sharis, Mike Tranghese, Marty King, Coach "Doc" Jacobs.

The golfing Knights began teeing off in 1955 under the guiding eyes of Coach George "Doc" Jacobs. Not until the 1961-1962 season however did the team make its claim to fame. The name Walt Sharis hit the headlines. This "long-ball" hitter was state medalist, placed 5th in the New England Tournament, and captured 6th place in the Eastern Collegiate Tournament. As a team the Swinging Saints copped the Vermont State Crown, and placed 10th in a field of 35 teams in the New England tournament played at Manchester, New Hampshire.

The following season was almost a mirrored example of the previous year. For the first time in the history of the sport at the Hilltop, the Knights went undefeated in match play. Once again they copped the Vermont State Crown, and this season they finished 12th in the New England Tournament held in Williamstown, Massachusetts. Individual Knights once again made the headlines. Ernie Church became the second consecutive "Michaelman" state medalist. Don Bank was a one-stroke runner-up. The Knights had run away with the state crown. In the Eastern Collegiate Tournament, S.M.C. representative Don Bank played well and finished 6th in the prodigious field.

The "fall" phase of this 1963-1964 season got under way well with Big Jack Harvey venturing to Long Island and the Easterns. Jack hit that "big ball" the whole way and captured 5th place in the East. How much better can the Knights do? Well they can, and according to coach Doc Jacobs, will win everything this season. Doc is optimistic this year, "we haven't lost anyone and should win everything." "They have truly earned the name "golfing Knights".

Ski Team

Ski Team, L-R, Front Row: R. Harris, M. Murphy, J. Goodrow, J. Woodworth, G. McClallen, P. Tamburello. Back Row: J. Couture, J. Geier, D. Irish, S. Reynes, R. Tero, M. Kehoe, M. Welch, A. Courchesne

The Saint Michael's ski team enjoyed the most successful season in its history this year. The varsity competed in three major ski carnivals hosted by West Point, Syracuse, and Cornell. During these carnivals twenty-six schools were represented. Led by Capt. Greg McClellan Saint Michael's bested twenty of their twenty-six opponents. Not only did McClellan produce sterling performances throughout his 4 year career but he also worked hard with the less experienced skiers, giving them valuable tips and advice.

The Freshman team in their lone meet, finished first in the annual Small College Championships held at Castleton. Outstanding in this meet was Dave Irish. A lot is expected from this team as they move to the varsity next year.

L-R: Dave Gravel, Tech. Sgt. Chet Paul, Coach, Joe Guilfoyle.

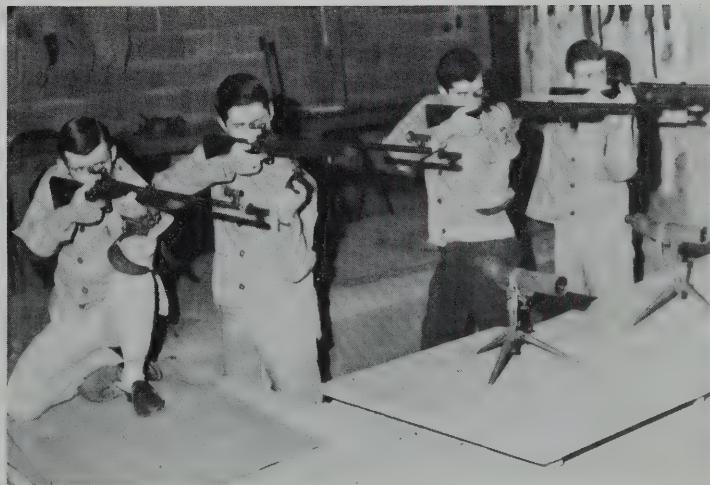

Rifle Team

The Varsity Rifle Team completed one of their most successful seasons this past year. They compiled a respectable 3-3 record in the tough Northern League amassing victories over Bowdoin, Colby, and Dartmouth, while dropping close decisions to Norwich, MIT, and Nasson. Coach Chet Paul's team also shot an exhibition match against local rival UVM at the latters range, defeating the Cats by a mere three points 1366 to 1363.

High scorer for the season was Junior Bob Hladik who compiled an average of 273. He was closely followed by Seniors Dave Gravel and Joe Guilfoyle who averaged 270 and 269 respectively.

The highlight of the year was the awarding of the coveted Professor of Air Science Trophy to Hladik for being the top marksman. The perpetual trophy has previously been won by the late Dave O'Meara and Harry Haarup.

Interclass Sports

William Jack receives the Victorious Knight Trophy from "Doc" Jacobs, Athletic Director, on behalf of the Class of '64.

In the history of St. Michael's College, Interclass Activities have played a vital role in the college's developing of the "whole man". These activities have contributed positively to the student's mind and body.

Because of its diversity, each student has ample opportunity to participate in one or several aspects of the program. The program's many and varied competitive events include football, hockey, writing, debating, basketball, bridge and several others.

To offer an incentive for unified class participation in the program, the Victorious Knight Trophy award was established in 1955 and a point system was devised to determine each year's winning class.

Also in the rules is a provision that a class which wins the award three years in succession earns the honor of retiring the trophy. Although several classes during the past nine years have almost succeeded in doing this, it remained for the Class of 1964 to prove that it could be done.

Senior Offensive Team

Interclass football

For the third consecutive year the class of '64 copped first place in the interclass football league. The veteran nine was forced to fight back a determined effort by a fired-up Junior aggregation which narrowly missed breaking the domination of the sport by the class of '64.

The very first game of the season brought a stunning upset as the Juniors edged the disorganized Seniors 19-13. This loss put the two time champions one down in the six game schedule but not yet out of the race. With Capt. Batewell patching up a weak defensive secondary and star quarterback Mickey Moughan getting a sputtering offense into gear, the Senior steamroller responded with potent victories in their last five games. The big win in this streak was a hard fought 6-0 decision over the previously unbeaten Juniors.

A split in the two Senior-Junior clashes necessitated a play-off between the two clubs as neither the Sophs nor the Frosh were able to blemish the records of the upperclassmen. Both clubs ended the regular campaign with identical 5-1 ledgers.

The size and the experience of the last year men proved to be the difference in the play-off tilt. Accurate and reliable, Senior quarterback Moughan passed and ran his mates to a deceptively one-sided 20-0 victory in the big tilt, thus ending the Juniors hopes of capturing their first football crown and getting an early jump in the interclass point derby.

The Senior surge was sparked by a defensive unit which produced four shutouts in their last six contests. Leading this rock-ribbed unit were linemen Bill Batewell, Ron Lysik, and Dave T. P. Rack, linebackers Jim DeSorrento, Will Carroll, and Paul Tamburello. The offensive team built around backs Mickey Moughan, Bill Finkenzeller, and elusive Stan Buczak. Ends Ed Goutas and Dick Moyan were on the receiving ends of Moughan's aerials.

The game Juniors were led offensively by pass catching ends Joe Kliminski and Frankie McKevitt plus in-

terior linemen Tom Biuso and Gus Kupferer. Defensive standouts for the third year men were linemen Gordy Salvan and Perry Goodrow.

The surprising Frosh earned a tie and eventually a win over the disappointing Sophs. Linebacker Chris Balick and huge middle guard Barry Roy led their team to a very respectable season. A glaring weakness in the offensive backfield hurt the inept Sophs whose lone bright spots were glue fingered end Dick Curtiss and lineman Fred Severni, a valuable two way performer.

Basketball Class of '64

L-R, Kneeling: B. Kelley, G. Murphy, A. Sauter, R. Baikal; Standing: R. Endrelunas, D. Matt, E. Goutas, J. Dorsey, C. Rogers, Coach, J. Soracco. Missing J. Mauceri.

For the Senior class the year of '64 represented the successful culmination of a four year struggle for the inter-class basketball title. Coach Johnny Zings' last year men got off to a blazing start in the first round. Led by field general Brian Kelley, heavy scoring forwards Chuck Rogers and Joe Mauceri, and rebounders Ed Goutas and Dick Endrelunas, the Seniors captured the first round laurels with a 5-1 mark, losing only to the second place Juniors. Third place went to the tall Sophs while the Frosh brought up the rear.

The second round was a different story, however, as the third year men came alive. Paced by Frank McKevitt and

Mike Hadlock, the class of '65 won the title losing only to the Frosh and Sophs in a pair of upsets. The Juniors squeezed out two wins over the Seniors who were runner-ups over the Sophs and Frosh.

For the second consecutive year a playoff was necessary to determine the champion. In this ball game the Seniors stopped the Junior jinx to prevail 57 to 49. Mauceri with 24 points and his first two assists of the campaign led the Seniors who made the final game of their careers their best one. It was a fine all around, well-balanced attack that added still another title to the Seniors' impressive list.

Interclass Basketball

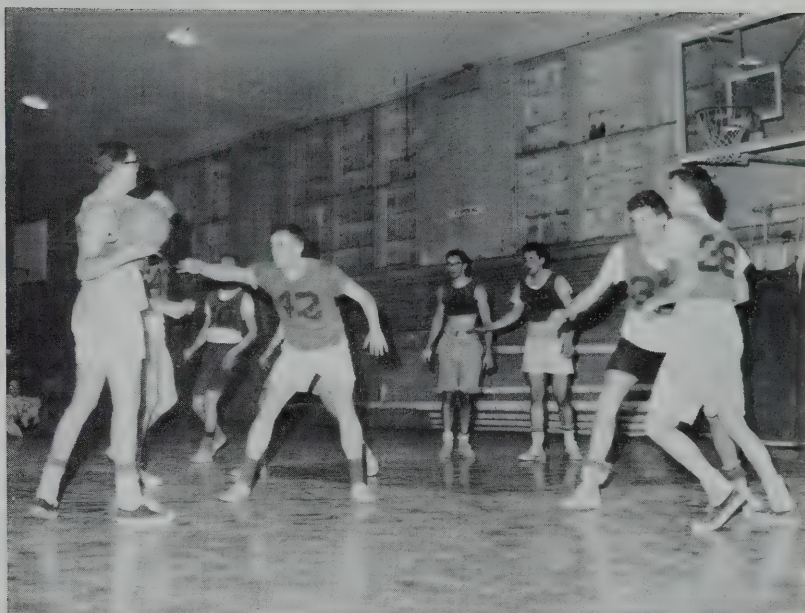

"Coach of The Year" award went to Senior coach John "Zings" Soracco. The veteran mentor went most of the year with his iron five of Endrelunas, Mauceri, Rogers, Goutas and Kelley. Never to be forgotten, however, was the spirited Senior bench led by chief hatchetman Jack Dorsey. This crew provided season observers with a multitude of laughs and provided harassed officials with a multitude of headaches and sleepless nights. Such a combination will never again be seen at the hilltop — thank God!

The Junior class, rich with talent, was led by sharp shooters McKevitt and Hadlock along with the powerful

rebounding of Perry Goodrow. Look for them to regain the crown which just escaped their grasp this year.

The Sophs had talent, maybe more than anyone else, but rookie coach "Bad News" Bennis had trouble getting this talent to the gym. Kev Gokey and Danny Keefe were particular standouts for the Sophs who should do much better next year.

Finishing in last place, but never a class to be underrated, were the hustling Frosh. As a rule here at S.M.C. the Freshman don't win ballgames but this year's team proved to be an exception to the rule. Jack O'Connell and Pete Tarrant led their ballclub throughout the season.

Bowling

L-R: G. Vogler, J. Colangelo, C. Metzroth, J. Burke, S. Buczak.

King Pin

For the fourth year in a row the Class of '64 walked away with top honors in the duckpin bowling. This year the seniors added further distinction by having their three bowlers fight it out for the high season average for the league. Will Daignault, Bob Kosmidek, and Ed Roman entered into the final weeks of the campaign in a virtual deadlock for the individual lead.

A torrid fight for top spot in the Kingpin loop developed between the Seniors and the upstart Frosh. Only one game separated the first place Seniors and the first year men as the race entered its final week. Leading the Senior Keglers were hefty John Colangelo and Capt. Jack Burke. Colangelo's better than 170 average was second only to the league high of Freshman Vic Puia who averaged a remarkable 185 for the season. Bob Hladik led the Juniors with a 170 average. The Sophs lone distinction was that they showed up most of the time.

Duck Pin

For the fourth straight year the Class of '64 has captured the Duck Pin bowling championship. Staring off from an undefeated season last year, during which Will Daignault set an all time school record by posting a 403 series, the senior reign was never threatened.

The fourth year men were led by Ed Roman and Will Daignault who finished with an identical average of 112. The Frosh, Juniors, and Sophs finished respectively, in that order.

L-R, Kneeling: R. Kosmidek, W. Daignault, E. Olander; Standing: P. Michalowski, J. Salmon, E. Roman, R. Moyaen.

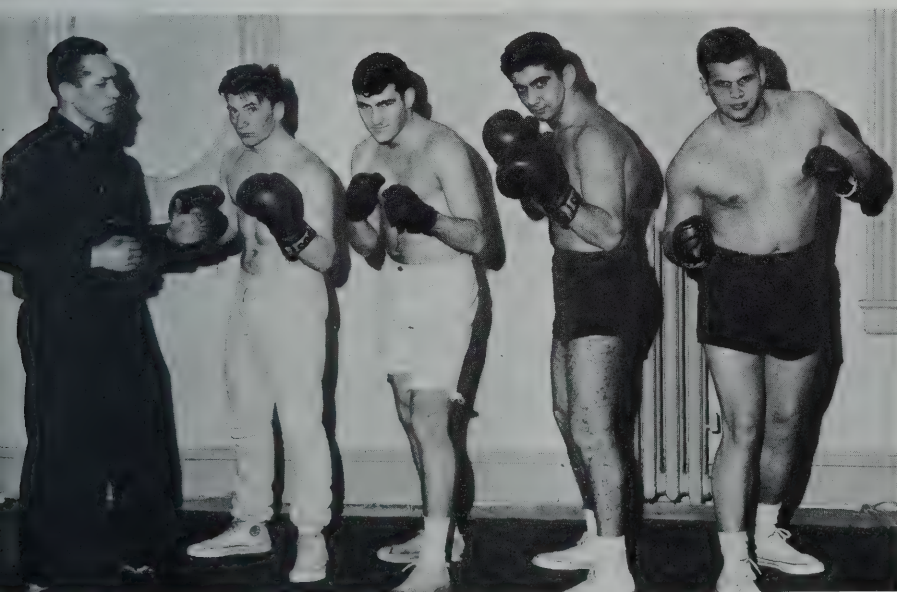

Golden Gloves

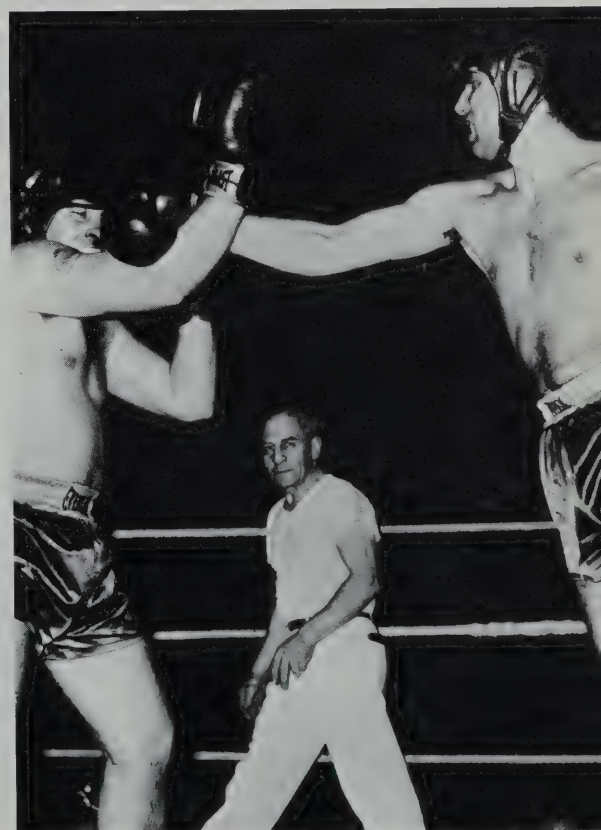

This year Saint Michael's had five entries in the Vermont Golden Gloves Tournament. The three seniors entered were Ron Lysik, Marshall "Habbu" Haddad, and John Szostak. All of the boys were fighting in the novice class, which is strictly composed of boxers who have never before fought in organized boxing.

Both Lysik and Haddad successfully battled their way into the finals of their respective weight classes. John Szostak lost on a split decision, much to the disapproval of the St. Michael's fans, in his first encounter. In the final, Lysik left little doubt in anyone's mind why he deserved to be the heavyweight champ. After flooring his opponent in both the first and second rounds, Ron's heavy blows caused the fight to be stopped in the third round. Haddad was ahead on everyone's card in his championship fight, before a broken nose forced Marsh to lose it on a T.K.O. in the second round.

All the boys should be congratulated on their fine performances and with several entries already planned for next year, St. Michael's tradition should be well carried in the future.

L-R: Coach Bob Le Favre, T. Colangela, D. Boyagen, M. Haddad, R. Lysik.
